MR. JOLICOEUR TELLS HIS EXPERIENCE

MR. JOLICOEUR

For years, Mr. Jolicoeur suffered with kidney trouble, headaches, backache, and the heavy, miserable feeling which usually accompanies any weakness or irritation in the kidneys. GYRO PLAYGROUNDS.

Editor Daily News.

Saturday when I was at the opening of the new Westview playground, I thought it was too bad that the children did not appreciate more the work the Gyro Club was doing for them. There was a fairly good crowd turned out, but I doubt if they will patronize it very long, I am talking from what I know at the McClymont Park. It has been open since the 15th of March, and very few children have been down. Last Friday and Saturday were beautiful days, but it didn't bring any more around. So it is not very encouraging.

FRED RIFFOU.
