Fishing is Better Than Last Season.

Last season fishermen did pretty well on the Skeena River and also on the trolling grounds. This year trolling has not been so good, but so far the catch of salmon in the Skeena son charge, the petition stated stenographers trying out exceeds the catch of last year. This is particularly true sockeye, which are the expensive fish. On the Naas River the forced, a sewerage system would sockeye catch is also ahead of last year. This means that there be demanded.
