Could Not Sleep Heart and Nerves Were So Bad

Mr. Geo. Meek, Windsor, Ont., writes:—"I suffered with my heart and nerves and could not sleep at night for noises in my head. I managed to keep at my work somehow, until I began to have dizzy spells which got so bad I could not go to my work. I was afraid to go out any place, for very often I would stagger on my feet, and everything in front of me would turn black and fade away. While I was home sick a friend told me to take MILBURN'S HEART AND NERVE PILLS. I got four boxes and by the time I had used them the pains and noises in my head ceased and I was able to get a good night's rest. Although that was six years ago I have never been troubled with that complaint again."

Price 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
