TEACHER TELLS OF WAR DAYS

Miss Camille Peters Gives Remiscencies Before Terrace P.-T. of Life in Liege

TERRACE, B.C. March 14. — The regular monthly meeting of the Parent-Teacher Association was held on Thursday evening with about sixty persons present.

Routine business was transacted and considerable discussion took place in regard to grounds improvement work, the matter being finally left with the school board, the P.T. Association promising to pay any necessary costs to the amount of $30. Considerable voluntary assistance in the way of planting, fencing, delivering of shrubs, etc., was promised by various members.

At the close of the business meeting Miss Camille Peters, teacher of the primary division gave an interesting talk on Belgium during the first six months of the war. Miss Peters' childhood days were spent in Liege, Belgium and, she was there during the siege, bombardment and occupancy of the town by the German soldiers. Her description of the situation of the town and forts, her reminiscences of life under these conditions was vividly told. The appreciation of the audience was shown by a hearty applause.

Refreshments were served and a half hour spent socially.

This is the second time Mr. and Mrs. France have returned here after trying their fortunes elsewhere. Mr. and Mrs. McNeil and children accompanied them here from the eastern states and expect to settle here.

HAZELTON

Since the first of the year a forty-foot shaft has been sunk by the D. W. Mines Ltd. on the Seven Sisters group at Cedarvale which it acquired recently from Steve Young. Considerable ore has been taken out and rawhided down to the railway track for shipment.

The Omineca's Herald weekly article on successful farmers of the Central Interior tells of the success achieved by W. A. King of Terrace with small fruit and poultry.

W. S. Harris represented Hazelton district at the Liberal convention in Vancouver last week.

It is expected that considerable progress will be made during the coming season on the highway from Skeena Crossing to Terrace. Work will be resumed as soon as weather permits.

PRINCE GEORGE

J. O. Wilson, J. G. Quinn, Mrs. H. G. Perry, J. M. McLean, E. Towers, R. J. Garvey, H. B. Guest, Arthur Leith, J. D. Gillis and J. A. Forin Campbell were named delegates to represent Prince George district at the Liberal convention in Vancouver.

An old timers' team was defeated by an aggregation of youngsters in a hockey game here this week. The old fellows' team consisted of Ald. A. B. Moffatt, Dr. Carl Ewert, Alex Wimbles, Cecil Jones, Ivor Guest, Walter Flynn, Ernie Burde and Hiram Carney.

CONFERENCE OF HOME MISSION COMMITTEE OF UNITED CHURCH

Rev. G. G. Hacker Reports on Meeting Which he Attended in Vancouver Last Week

The conference home mission committee of the United Church has just finished its survey of the province of British Columbia and has sent to Toronto its recommendations for the coming year which will begin on April 1 according to Rev. George G. Hacker who returned yesterday from Vancouver where he attended the conference.

There have been quite a number of former Presbyterian and Methodist churches which have completed negotiations for uniting their forces in July. A partial list includes churches at Merritt, Penticton, Kamloops, Revelstoke, Point Grey, St. David's and Sanford, and Dundass and St. Mathew's, Vancouver. These amalgamations will render possible more efficient service and a great saving of money.

Many rural communities have been reorganized. In some cases, by preventing overlapping of appointments, two men can efficiently do the work formerly requiring three. Several unprogressive or limited areas have been given students or retired ministers, while quite a number of progressive student fields have been given full time services of married ordained men. This will greatly extend the work of the church in several rural communities.

The work of the United Church of Canada will be financed this year on three and a quarter million hollars instead of four millions required last year.

SETTLEMENT COMMITTEE

The settlement committee had a preliminary meeting and tabulated all changes for the coming year. A few urgency appointments were made among them, that of Rev. J. H. Mathews to succeed Rev. S. S. Peat at Skidegate. Mr. Peat is forced to retire on account of illness.

Great regret was expressed at the death of Rev. Ferguson Miller of Penticton who was a member of these committees but was too ill to attend and died on Thursday morning. Mr. Miller of Edmonton College who preached the dedication sermons at the local Presbyterian Church. Principal Smith of Union College, and Dr. Geo. A. Wilson went to Penticton to conduct the memorial service.

SPENT FIVE MONTHS IN OLD COUNTRY

Mr. and Mrs. David Bennett and A. R. Phillips and Son Returned to City Yesterday

After an absence from the city of about five months, A. R. Phillips and son Arthur, and Mr. and Mrs. David Bennett returned home on yesterday afternoon's train.

Leaving here the latter part of October Mr. Phillips and Arthur journeyed by easy stages through the Panama Canal to New York and were there joined by Mr. and Mrs. Bennett. Arriving in the Old Country, Mr. and Mrs. Bennett proceeded to their old home in Glasgow while Mr. Phillips and Arthur proceeded to the former's old home in London where his father still resides. It was twenty years since Mr. Phillips had visited the Old Country and he found many changes in that time. His aged father seemed to be enjoying good health, although he was too far advanced in years to attempt a journey to this newer country.

Travelling pretty well over the Old Land, Mr. Phillips was able to get an impression of the business condition there which he says are none too good. The population seems to be too great for the amount of business offering and, hence, competition was very keen.

On February 26 Mr. and Mrs. Bennett and Mr. Phillips and Arthur left Glasgow for New York and proceeded direct from there to Prince Rupert. While enjoying the whole trip immensely, the are, nevertheless, very pleased to be back again in Prince Rupert.

The Children Will Catch Cold

Mothers should never neglect the first sign of a cold or cough where their children are concerned, for if they do some serious lung trouble is liable to follow.

Mrs. R. T. Hubby, 1022 Barrington St., Halifax, N.S. writes:—"The children are continually getting colds, but I have no trouble with them, for just as soon as they begin to cough I give them a dose of

Dr. Wood's Norway Pine Syrup

which breaks up the cold within a day or so. I get great results out of it and would not be without it for anything. I can highly recommend it to any one."

Price 35c. a bottle; large family size 60c.; put up only by The T. Milburn Co., Limited, Toronto, Ont.

GOOD BASKETBALL PLAYED AT TERRACE

TERRACE, March 14. — A splendid crowd turned out on Friday evening to see the basketball games played in Progress Hall.

The first game between Vanarsdol and the senior Terrace Boys was fast and furious and showed much skill on the part of both teams. The result was a victory for the local boys by a score of 20-13.

The second game between the High School girls and the Senior girls team resulted in an easy victory for the former.

Both games were umpired by Dr. Turpel who has also been acting as coach for the local teams.

The floor was afterwards cleared and dancing was much enjoyed to excellent music furnished by a four piece orchestra of Vanarsdol natives. Refreshments were served at midnight after which dancing was continued.

SPORT CHAT

With games scheduled for Tuesday and Friday evenings, this week will see the conclusion of basketball activities for the winter. Owing to the fact that intertown games are being planned, considerable interest will still attach itself to the doings of the local players. Basketball has had a very successful season here this winter and the most of the fans will be wanting to see things through.

There are two more sessions yet scheduled in the Cribbage League. Interest centres in the competition of the Cold Storage and C.N. Operators between whom a tie was broken last week in favor of the Seal Cove. The Moose still have a chance to tie provided the Cold Storage does not win another game or the Operators two. The games tonight are: Moose vs. Grotto; St. Andrew's vs. Cold Storage; C.N. Mechanics vs. Dry Dock; Prince Rupert Hotel vs. Orange Lodge; C.N. Operators vs. Canadian Legion; Sons of Canada vs. Knights of Columbus.

Au Revoir Canada!

"ALL visitors ashore!" The last hawser is cast adrift and hauled aboard! Rails are lined with happy travellers waving a last farewell to friends on shore! The big liner slowly gathers way and moves down stream towards the open sea. The voyage has started!

The watching crowds disperse—return to the narrow round of drab, daily tasks. But for the carefree voyagers on shipboard, an enchanted world unfolds—days to follow stored with rainbow visions. The grandeur of the great St. Lawrence—the Atlantic's majesty—and all the while contentment, new delights, ROMANCE.

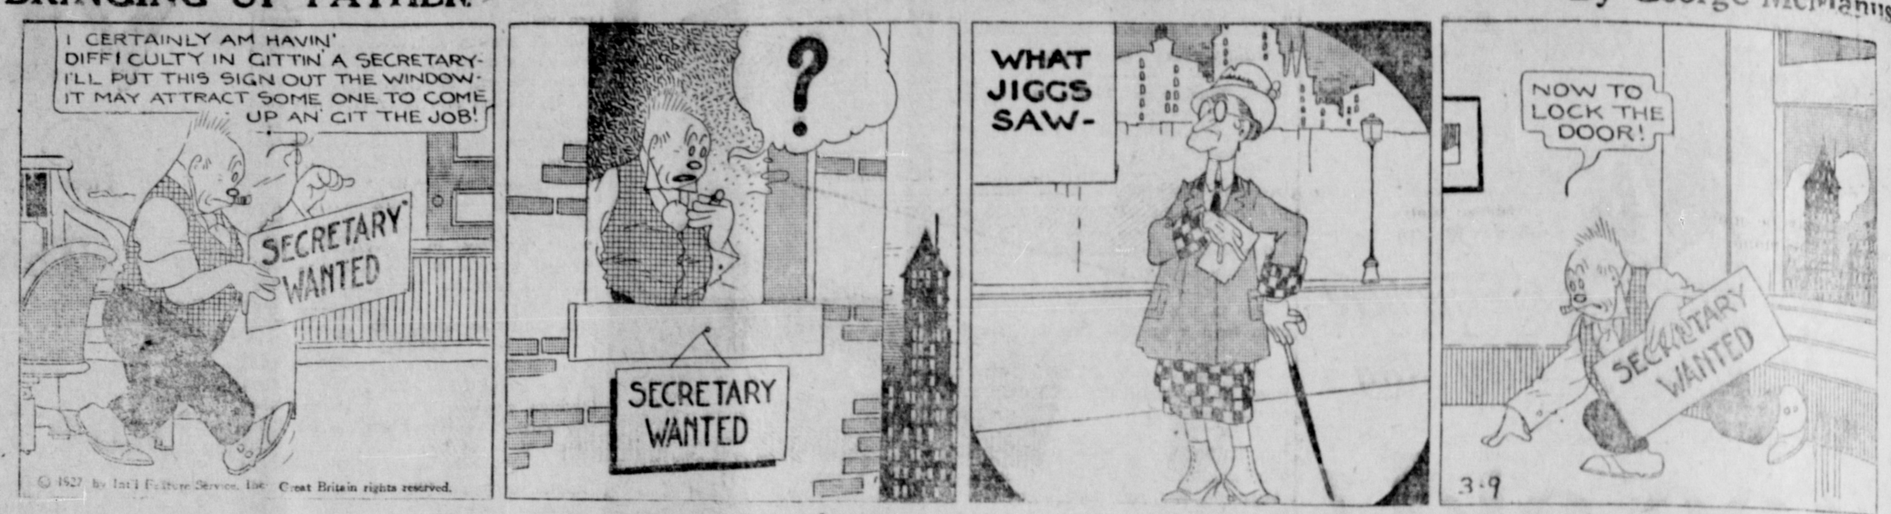

It costs no more to cross on one of these big oil-burning ships:—Athenia, Alaunia, Ascania, Aurania, Antonia, Ausonia, Andania, Letitia.
