about

DO not hesitate to consult us about your eyes. Our experience will be of real value to you. Not a day passes that we do not hear gratifying reports from those we have fitted with glasses.

WE request your patronage with confidence secure in the belief that nowhere will you obtain better service or more conscientious treatment.

IF you require glasses a thorough scientific examination will reveal the fact. If you do not require them, we will candidly tell you so.

Registered Optometrist and Optician

Smith Block Phone 763

One mighty substantial reason why every builder, large or small, can feel safe in purchasing lumber from us is that the master builders and contractors of this community swear by and not at the lumber they purchase from us.

/ ILK is a fragile food, easily spoiled. That is why Carnation takes such extraordinary care with the milk which goes into the Carnation tin.

Carnation quality starts at the farm. Selected farms - selected herds - the Carnation Field Force performing an endless service of inspection and education on the farms-rapid handlingscientific treatment—these are the secrets of Carnation purity and quality.

You'll like Carnation Milk. It is just pure, fresh milk made doubly rich by evaporation and kept safe by sterilization. Use it undiluted in place of cream at one-third the cost of cream. Use it diluted in all cooking-with better results and less cost. Order several tins or a case of 48 tins from your grocer.

Well-Managed Home

THE manager of a household is the purchas-

ily needs. In order to do a good job she must

know what, when and where to buy. She

must study goods and the concerns which make

goods and have them to sell. She must put her

home on a business basis and run it on bus-

iness principles in order to make the most of

purchasing. And the right way to get the great-

est amount of necessary information is to read

in merchandise. They reveal improvements and in-

ventions to make your home life easier, more com-

fortable and more convenient. They give you in-

formation about a thousand and one things that are

ber of the household who shares the responsibility

for the family's welfare---should make a habit of
