PRINCE RUPERT INTERMEDIATES BEAT PORT SIMPSON 26 TO 25-TWO OTHER GOOD GAMES

Tuxis Boys, 22; Stars, 21. Girls "A" 21; Girls "B" 12.

Port Simpson, 25; Prince Rupert, 26. The basketball fans who witnessed the three games in the Exhibition Hall last night, got their money's worth. The Port Simpson team gave the local picked intermediate team a scare and. for the greater part of the journey, led the locals by a good unmber of points. At half time the score stood at 18 to 22 After the opening of the second half, the locals pulled themselves together and, by engaging in closer defence work and taking advantage of the openings, were able to come out ahead when the whistle blew.

At the opening of the game the locals ST. ANDREW'S WIN started with a rush and notched couple of baskets for a score of four The visitors soon got going, however, and the score board soon showed 10 to 4 with the Prince Rupert boys trailing. From then on till the end of the period, the game was more even although the fast combination work of the visitors kept the local aggregation dazzled. The second half was featured by close checking with the locals playing better combination than in the first period.

In the Junior League the Tuxis boys won their second victory of the week although their first win is still under The game was fast and close with the youngsters treating the fans to a good brand of basketball.

The ladies' exhibition game was close with very little to choose between the The "A" team, however, seemed to be in better shooting form and made better use of their tries for the basket It was an excellent practice for all the players who, however, found it rather difficult to accustom themselves to new team mates.
