### BRINGING UP FATHER

### SPORT CHAT

Local fans will likely get their last basketball of the season tonight when the city plays H.M.C.S. Patricia. The sailors, who we hope will have their lead legs following their arrival this afternoon, are an unknown quantity and that should tend to make things more interesting. The Prince Rupert team will be selected from Ed. Smith, captain; George Mitchell, Poli Howard, Vic Menzies, Mike Budenich, Stan Moran, Will Lambie and A. Siocomb. As a curtain raiser there will be a match between the Junior League Stars and Colts and a dance and novelty revue will wind up the evening's proceedings.

Port Simpson is planning a big two-day celebration for May 24 which will include track, field and water sports as well as baseball and football engagements and a boxing tournament. The R. Boyd Young shield for baseball, now held by the Y.P.E.A., will be competed for as well as a silver cup for football which the Y.P.E.A. also holds at the present time. The Victoria Day cup for relay race, now held by the Y.P.E.A. will also be competed for and, in the realm of water sports, a contest will be held for the boat race cup which is now in possession of the mission boat Northern Cross. Other events will include the outboard motor boat race for a cup, one mile road race for the committee cup, 220 yard race for silver cup and a light-heavyweight boxing tournament for a gold medal. The committee list in charge of the day includes N. W. Lawson, chairman; Alfred Wesley, secretary; H. A. Wesley, treasurer; Ed. Wesley, Fred Dudoward and James Wesley, judges; D. Musgrave and Joseph McKay, starters; T. Gosnell, clerk of the course, and P. M. Wells, announcer. The people of the neighboring village are expecting some Prince Rupertites to be in attendance.

The Smithers' baseball team will journey to Burns Lake on May 24 where they will play a team from that town. Following the game the railway town squad will take the field against a Vanderhoof team. The latter town is reported to have a snappy aggregation and two good games should result. Smithers will have the majority of last year's regulars back in the line-up and will attempt to repeat past successful seasons on the diamond. Weekly workouts are being held.

The fourth annual field day by the Northern Interior Club of Kispiox was held on May 10 and carried over to the next day. It was a great success and the natives are well pleased. The crowd was made up of nearly all the people in the Kispiox, natives from Kluwanaga, Nash, Skeena Crossing, Carnaby and Hazelton, as well as a big bunch of whites from Hazelton. The first day was taken up with a football game for a silver cup. It was won by Hazelton Indians, who played with Skeena Crossing. A baseball game for a silver cup was won by Glen Vowell against Kispiox, the winners playing Hazelton Indians and, the latter winning, thus holding the cup for this year. The field sports were all held on the second day. The important event was the five mile race which was won by John Crosby of Kispiox who put up a fine race. The fat man's race went to Geo. Benson, sr., and in the old man's race James Proctor was second.

### Headache Made Her So Sick She Could Not Work

Miss Lola White, Cape Bald, N.B., writes:—"I suffered severely, for a long time, with a bad headache. It would ache and ache until it made me so sick I could not work at all. A friend recommended

and after using a few bottles of this medicine I feel that I cannot recommend it too highly to all those who suffer from headache of any kind." For the past 48 years B.B.B. has been put up only by The T. Milburn Co., Limited, Toronto, Ont.

terested in baseball in Prince George to organize a city league of three teams, and there is a prospect that the plan will be carried through. The interior city has always had a lot of good ball talent, but the distances have been so great that it has been found impossible to bring in outside teams for games. This also forced the playing of games on Sunday, to fit in with the train service. As a result the ball game was put into competition with the call to out-of-doors to the various summer resorts, and interest in the game waned. There are a number of good ball players in the city this year. Some of them are newcomers and others are boys who have been developed in the junior teams. If the plan can be carried out it would mean the formation of three teams, and for the most part the games would be twilight contests.
