NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

BRINGING UP FATHER

Man in the Moon

HON. J. H. Robb says Canadian government costs only three cents a day for every person in the country. wish my government would be satisfied with that, she costs ever so many mes that amount

WE'LL begin with box; the plural is boxes,

But the plural of ox should be oxen. not oxes. One fowl is a goose, but two are called

Yet the plural of mouse should never

If the plural of man is always called Why shouldn't the plural of pan be

called pen? The cow in the plural may be called cows, or kine;

But a bow, if repeated, is never called And the plural of vow is vows, never

If I speak of a foot and you show me two feet And I give you a boot, would a pair be

called beet? If one is a tooth and a whole set are

Why shouldn't the plural of booth be If the singular's this, and the plural is

Should the plural of kiss ever be written keese?

nen one may be that, and the two would be those. Yet hat in the plural would never be

And the plural of cat is cats, and not

But though we say mother, we never bazaar in the ballroom of the Prince twenty-five feet long. say methren.

Then the masculine pronouns are he. his and him.

Is the funniest language you ever did when the fire hazard is high.

PRINCE GEORGE

Walter Jones has been in the district recently on a potato inspection trip. Owing to unfavorable growing conditions, the yield in the central interior Ritts-Kifer Hall under the auspices of derhoof after having been engaged in Mr. and Mrs. L. G. Saul, Decker Lake; like the rest of the province has been considerably cut down this year, he

George Quesnel highway is rapidly nearing completion, states Arthur Dixon, district engineer for the provin- 8 7 cial department of public works. The work, it is expected, will prevent the blockings of the road by snow.

E. W. Bowness, Edmonton, hydroelectric engineer, has submitted to the city council, on behalf of the International Utilities Corporation of New York, an offer of \$70,000 for the purchase of the municipal lighting plant. He demands a twenty-seven year charter and holds out slight hope for rate

Production of seed in the districts surrounding Prince George has been very satisfactory, states R. G. Sutton. district horticulturalist. During the year, the district produced five tons of timothy seed as well as 1000 pounds of red clover and 1000 tons of alsike. The achievement of L. C. Gunn in producing 225 pounds to the acre on a fouracre plot was notable.

Twenty below zero has been the lowest thermometer reading registered here during the past week.

While the proposal to establish a cheese factory at Prince George has warrant the undertaking of such a project at this time.

Yee Ching, local restaurant keeper, was fined \$50 for permitting drunkenness on his premises. The drunkenness was occasioned through the consumption of cider which showed seven per cent alcoholic content.

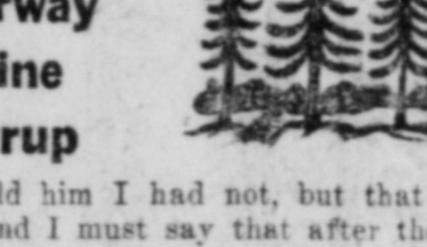

The members of the Good Cheer Club of Central Fort George entertained with tea and entertainment in the ball-

Her Three Boys Had Terrible Colds That Hung On

Mrs. G. Ames, 35 St. George Street, Chatham, Ont., writes:-"Last winter my three boys had terrible colds and a cough that hung on so long that it began to worry me.

"I went to my druggist and he asked me if I had tried

Dr. Wood's Norway Pine Syrup

would, and I must say that after they had finished the third bottle they were entirely rid of the cough.

"I will never be without a bottle of 'Dr. Wood's' on hand." Price 35c. a bottle, large family size
