# Neglected Lves

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

It will be seen that it is nobody's league yet, though Terminals are strong favorites for it. If Ben gives them chicken dinners when they win the ordinary game what will happen if they win the league.

Regiment players are afraid that there will be big landings of fish on Thursday and, like time and tide, they wait for no man. A big sale of fish may mean extra work at the Storage where several of the Regiment players work. For the sake of the general interest in the game it is to be hoped that the Regiment committee will be able to turn out their best team.
