## Jelp Your Doctor to Help You

His prescription reads the same to all druggists but medicines vary in quality and freshness. We protect our record of 20 years' service to Prince Rupert people by using only the finest and freshest medicines that money can buy.

Some pharmacists are more skilled, more experienced, more careful than others. Choose your pharmacist as carefully as you do your doctor. Three registered graduate pharmacists are at your service at Ormes. One of them is in charge at all times. Of course we could get along with less but not without sacrificing some part of the superior service the people of Prince Rupert have come to expect from Ormes.

### SASKATCHEWAN M.L.A. FINDS PECULIARITY IN DUTIES FALLING ON HIM

CON

REGINA, April 18.-There are some peculiar duties falling on the shoulders of an M.L.A., thinks James Hogan, member for Vonda, Sask., after receiving a huge petition in a bundle, on which he had to pay considerable excess postage. The petition urged the immediate release of a fellow townsman who happens to be suffering in durance vile for breaking certain laws concerning the sale of liquor.

With earnest prayerfulness, the petition set forth with perfect frankness, the many virtues of the incarcerated one. in the good art of horse trading, and the petitioners went on to bewail his absence from this and other town ac-

This call on his energies, makes the Vonda member think that so many constituents imagine an M.L.A.'s job to one of sitting in a swivel chair yelling 'Ayes" and "Nayes," showing visitors around the legislative corridors-and receiving petition mail.
