

# CASTLES in SPAIN

**D**REAMS, aspirations, imaginary palaces—we need but enterprise and initiative to turn these "Castles" into delightful reality.

For there are Castles in Spain, in England, in France, built of stone and mortar—beautiful cities of ancient glamour, romance and historic memories—awaiting you.

The journey need cost little—no more than ordinary holidays at home. Service and accommodation on ship-board surpass those of most hotels. Enjoyment aplenty—from the very moment you start down the long, smooth St. Lawrence.

It costs no more to travel by these big, oil burning ships:—Athenia, Alania, Ascania, Aurania, Antonia, Ausonia, Andania, Letitia.

# A Kick From The Kidneys

If the comic papers be accepted as a criterion, there is something inherently humorous about the kick of a mule. Whether this be so, or not, it can be stated upon the authority of the death statistics that there is nothing funny about a kick from the kidneys.

The kidneys are charged with the duty of absorbing and discharging all liquid poisons generated within the body. Let them fail in their work and disease and death is the outcome.

Kidneys depend upon vital energy furnished through the nervous system for their motive power. If spinal pressure upon a kidney nerve makes it impossible for them to function, you get "a kick from the kidneys." Then is the time to see a chiropractor—to have the nerve pressure removed.

**Bad Kidneys Made Good.**

"Adjustments made a new person out of me. My kidneys were bad and my back was in terrible condition when I saw a chiropractor. The first adjustment helped—six worked wonders."

## THE AGONIZING PAIN OF RHEUMATISM IS DRIVEN OUT BY "FRUIT-A-TIVES"

MRS. E. DRASCHING.

If rheumatism is making your life a torment, read this comforting letter from Mrs. E. Drasching, Enderby, B.C.:

"I have received great benefit from 'Fruit-a-tives', especially when I had rheumatism very badly some years ago. I keep 'Fruit-a-tives' in the house all the time as a family medicine. I think 'Fruit-a-tives' are wonderful, and so easy to take. I recommend them whenever I have an opportunity."

"Fruit-a-tives" frees the system from poisonous matters so often responsible for the inflammation and pain of rheumatism, purifying the blood stream and restoring health again.

"Fruit-a-tives" is a natural medicine, containing only the intensified juices of fresh ripe apples, oranges, figs and prunes, combined with tonics. If you suffer from rheumatism, start on the road back to health with "Fruit-a-tives". Sold everywhere, 25c and 50c a box. Begin today.
