Preparations for Salmon Season - Much Boat Building is Going on-Old Gasoline Cruiser Leila Changes Hands-Halibut Arrivals for Week

With the halibut boats by this time pretty well cleared away, preparations for the forthcoming salmon fishing season will be the order of the day along the Prince Rupert waterfront for the next few weeks. Seine and trolling boats now under construction will be Our prices right in Rupert rushed to completion and an era of repairing and otherwise getting are the same as advertised in the existing boats in readiness has already started. Crews are bemail order catalogues. Com- ginning to arrive at the many canning plants in District No. 2, and, within a very short time now, there will be a general air of activity. It is expected that every cannery in this district will be in operation

pearance during the past week, several trolling boats have left to try their luck ready for service within a couple of spring salmon. Some fifteen or twenty \$16.50 working in the vicinity of Butler's Berry Spoon \$3.75 Cove. Many other trollers are preparing to depart in the near future.

> A number of trollers were in town the salmon fisheries.
