# Brunswick Panatropes

Illustrating his proverbial good taste in music as in all other things, H.R.H. the Prince of Wales has installed a trio of Brunswick Panatropes in his Royal quarters.

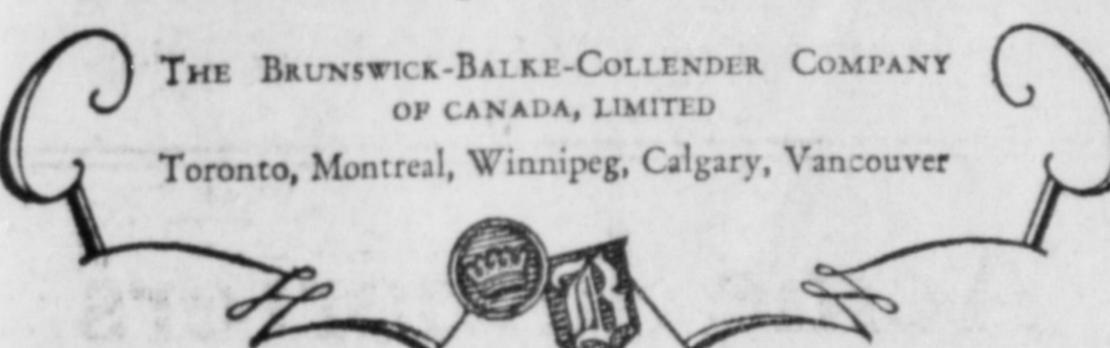

WHY?—Because the Brunswick Panatrope is the world's first and only proven electrical record-playing instrument. Because it is the only one to reproduce every note in the ENTIRE MUSICAL SCALE. Because its reproduction of music is so perfect that no other instrument can approach it.

See it. Hear it—at your Brunswick dealer's to-day.

The Music of the Panatrope is the Standard which Imitating Manufacturers are striving to attain.

Brunswick Panatropes are priced from \$115 up
