ANNIVERSARY OF SCOTTISH BARD'S BIRTH WAS SUITABLY CELEBRATED

TERRACE, Jan. 28.—Burns' night was suitably celebrated here on Tuesday evening with a banquet concert and dance. The event was under the auspices of the local St. Andrew's Society.

Accommodation had been arranged for the seating of one hundred and fifty guests in the G.W.V.A. hall and practically every seat was occupied. The tables were laden with an abundance of delicious Scotch foods and attractive menu cards. Special interest centered in the Haggis which was borne around the room by James Richmond to appropriate music furnished by J. McLaren.

The floor was then cleared and dancing commenced to music furnished by Mrs. Atwood, L. H. Kenney and S. N. Kirkaldy, the dances being interspersed with recitations, vocal selections, step dances, etc. Those taking part included the Misses Fanny and Sophia McLaren, Mr. and Mrs. Allan, Mrs. R. Haney, Mrs. Young, Mrs. L. Sprague, Mrs. A. H. Barker, Mrs. W. H. McDonald, and J. McLaren.

## SMITHERS

Thrashing machines from other parts of the district have been taken to Telkwa to assist in getting a big crop of grain and timothy seed threshed for the 1927 market. There has been record production in that, the banner district of the Bulkley Valley, this year but it is safe to assume that the tonnage of wheat alone will increase 100 per cent next season as the desire to ship to the Prince Rupert elevator is the ambition of every farmer with fall ploughing ready for the seed.

A new strike on the Golden Glory mining property at Decker Lake, owned by Robert H. Gerow of Burns Lake, has been made and a carload of ore is to be shipped according to Dan McDonald who has been visiting in Smithers. Beside the activity at the Golden Glory, which is within two miles of the Decker Lake station, there have been other developments in the mineral line there lately.

The town council has decided, from a fire protection standpoint, to strictly enforce the municipal bylaws relating to electric wiring and chimney construction. Bylaws are also being passed to protect sidewalks and public parks against damage.

Having received a cash payment of \$10,000 from the Standard Silver-Lead Co., as first installment on his Richfield mine at Topley, Frank Taylor has since expressed his confidence in that district by taking options on several properties and living up to his own demands by making cash payments. He has also purchased a townsite surrounding Topley station and plans on having it subdivided and placed on the market.

Burns' Night was suitably celebrated here on Tuesday night with a splendid dance under the auspices of the Rebekah and Oddfellows lodges.

A daughter was born here on Wednesday morning to Mr. and Mrs. Stanley Bennett who formerly resided in Prince Rupert. Mr. Bennett being in the service of the C.N.R. Telegraphs.

Mr. and Mrs. H. M. Matthews and family have returned to Smithers after an absence of Mrs. Matthews and the children extending over several months.

Ben Mueller returned on Wednesday last after a visit with his brother in Washington. Ben has boarded his farm stock for the winter and will work in the mines until spring.

## PRINCE GEORGE

Don McPhee of the Sinclair Spruce Co. submitted the claims of the millmen east of Prince George for greater timber supplies at a recent meeting of the Prince George Board of Trade. He asserted that ten mills would be forced to close down in a short time if they were not given timber. The right is sought to make limited purchases in areas set aside for pulp sales. The mooted establishment of a pulp and paper mill in this vicinity has been gradually bringing the matter to a head. It will be inquired into by the timber committee of the Board of Trade.

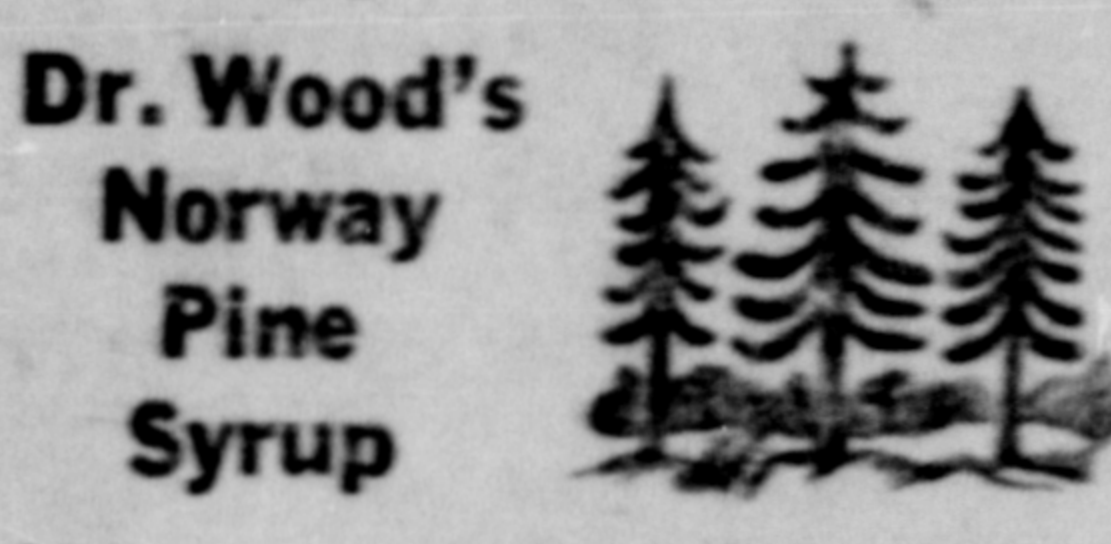

The city council has decided to cut electric light rates here by twenty per cent during the coming year. At the last meeting of the council it was stated that taxes and payments on sales of reverted lots would yield \$10,000.

The games of St. George's (Seal Cove) vs. Sons of Canada and St. George's (City) vs. St. Andrew's were postponed out of respect to the memory of the late W. G. The standing of teams to date is as follows:

Team	W.	L.	Pts.
Moose	7	1	7
Elks	5	2	5

## SPORT CHAT

If the Maple Leafs are successful tonight in their game with the Adanacs they will clinch the ladies' championship having lost only one game to their opponents. The Adanacs have been rather handicapped by different changes in their line-up for some of the games whereas the Maple Leafs have played practically the same team throughout the series. If the Maple Leafs win it is expected that they will later play with Anyox or Smithers in a series of games to decide the ladies' championship of Northern B.C. Nothing definite has been heard as to whether a team from Edmonton will visit the city this spring but the Maple Leafs should consider it necessary to keep up vigorous practise for any games which might offer.

The Grotto and Gyro billiard teams announce that there will be no interference with their scheduled fixture tonight on account of dissension prevailing among other teams. They will line up as follows in tonight's tournament:

George Waugh (Grotto) vs. W. H. Long (Gyros).

J. Andrews vs. W. J. Nelson. G. Howe vs. A. Macdonald. Dr. West vs. Frank Aldridge. J. Hamilton vs. Ben Self.

The decision to call a general meeting of the Billiard Association it is hoped will result in the resumption of contests by all the teams in the near future. Every player is urged to be present, which will permit of a full discussion of any matters which may be under dispute.

It is announced by Winthrop Sears, promoter, that there will be an international professional ice hockey league formed on the coast consisting of Vancouver, Victoria, Portland, Seattle, Los Angeles and Hollywood. It is expected that it will not start until next year.
