GARDENING IS ORDER OF THE DAY.

STICK UP FOR PRINCE RUPERT

The good citizen has among his virtues pride in his city. He always speaks well of it. There are many quite well-meaning people who will underrate everything that has to do with their home town. Today Prince Rupert has a population of over eight thousand yet there are people here who tell every stranger they meet that she has only six thousand. They think because they see a vacant house on their own street that the population must be decreasing. As a matter of fact there are no houses fit to live in Sale of Ladies' Wear, commencing on the grain movement from Northern that are long vacant here and building is proceeding all the time. In the year 1921 the official count was over eight thousand and ward Spring from a business, as well a delegation to Edmonton last week since that hundreds of houses have been built and occuplied.

Poor old China is having some bad dreams in connection with her awakening from her long slumber. In fact she is today afflicted starts on Friday morning. with a horrible nightmare. For years she has ceased to be a cohesive nation with anything approaching stable government, and it may be TUXIS BOYS PROVE many years more before she comes into her own. The country is so unwieldy, transportation so poor and the mass of the people so ignorant that it will possibly be a century before she rises to the status of a modern nation. Under these conditions we can have Girls in nothing but pity for her and if we can in any way help our neighbor across the sea we should do so.

Prince Rupert's population is increasing and the increase is largely a natural one.

VERYWHERE Dr. Chase's Ointment is known and appreciated by mothers who have with gratitude witnessed the benefit it has brought to their suffering children.

Chafing and cracking of the skin is often the beginning of eczema. The trouble develops where two surfaces of skin rub together—as in the neck, armpits or between the legs of fleshy infants.

Dr. Chase's Ointment applied after the bath brings relief from this condition and prevents eczema.
