SOMETHING DEFINITE AHEAD

Just as a matter of sermonizing, it may be said that there should be something definite ahead for everyone if he or she would attain the greatest happiness in life. To just drift along without any definite aim gets very tiring and very soon life is not worth living.

The young man, especially, is one who, if he has a definite aim ahead, will bend his energies toward the realization of that aim and will enjoy the struggle which may or may not lead to victory. After all, the struggle is the important thing and not the fact that the goal is reached.

CO-OPERATION HELPS

In a football match if a man sacrifices those on his own side and plays only an individual game, he soon finds that he loses out. If he plays the game according to the rules, helping his fellows and they helping him, victory is much more likely. Usually the side that plays the best combination is the one that wins. So in every walk of life. We are social beings and have to play the game, giving and taking continually but always moving forward if possible. If ground is lost it has to be made up.

CONGRATULATIONS TO CONSERVATIVES

The Conservatives of this constituency are to be congratulated on the result of their efforts to eliminate the possibility of a three corner fight at the next provincial election. S. M. Newton had announced himself as candidate and many local Conservatives had declared they would not have a man foist himself on them in that manner again. They would nominate a man and fight it out, win or lose. Now, through the efforts of members of the Conservative Association, Mr. Newton has agreed to withdraw his own self-nomination and to abide by the decision of the convention. If he is chosen by the convention he will be the candidate, but if he is not chosen he will support the candidate. Now, it is to be presumed, there will be a straight contest between Liberal and Conservative, unless a Labor candidate should decide to take the field.

SELLING OF P.G.E.

Now there comes a South Vancouver man who objects to selling the P.G.E. by the government because he thinks he sees the property becoming valuable. We suggest that he forget that phase of the situation. The P.G.E. is not worth very much and is probably more of a liability than an asset, if it has to be operated. The road is not fit for trans-continental traffic because of the poor grade and it is doubtful if it will really become a factor in the business of the Peace River country.

WISH GENERAL SUTTON WELL

We wish General Sutton well in his efforts at railway building but we have not much faith in the outcome. It is a big project, that of combining the P.G.E. and the E.D. & B.C. and connecting them up by way of the Peace River country. If it is done it will have to be by means of heavy subsidies from the Dominion and the provinces and we doubt if the people of the country will be ready to agree to giving money or other valuables for such a purpose. When the Peace is opened up it should be by one of the two older railway companies who are in a position to give a real service and to connect the country with the rest of the world as well as with Vancouver.

**WERE WEDDED
 LAST EVENING**

Mrs. Eva Lear Becomes Bride of William John Marshall at United Church Ceremony

A quiet but interesting wedding took place at 7:30 last evening in First United Church before a gathering of some thirty or so relatives and friends when Mrs. Eva May Lear, daughter of Mr. and Mrs. William John Scherk, formerly of this city and now of Penticton, was united in marriage by Rev. A. Wilson to William John Marshall, son of the late William Marshall and Mrs. Marshall of Newfoundland. The church was prettily decorated with flowers and foliage for the occasion. The bride's charming costume was of rose bolge crepe Romaine with hat to match and she carried a bouquet of pink roses and carnations. Mrs. James Mastin, matron of honor, wore a beautiful Pekin blue gown with hat to match and carried a bouquet of pink carnations. The groom was supported by James Mastin. Miss Ruth Scherk, cousin of the bride, presided at the organ and played the Wedding March and "Birds in Spring" during the signing of the register.

Following the ceremony, a reception was held at 148 Eighth Avenue East where the happy couple will take up residence. The table was centred with an elaborately decorated wedding cake and many gifts were on display. The toast to the bride was duly proposed and responded to and the evening was pleasantly spent in music and singing. Aboard the midnight boat, the couple sailed for Vancouver for a two weeks' honeymoon trip, being given an enthusiastic send-off by their friends.

The bride, who has resided here since girlhood, is well known and popular. The groom has resided in the city for seven or eight years and is engaged in the halibut fishing industry. To both Mr. and Mrs. Marshall will be extended congratulations and best wishes of many friends.

**TWO PARTIES
 PORT CLEMENTS**

Children Have Fancy Dress Affair and Grown-ups Masquerade

PORT CLEMENTS, Nov. 3.—A very delightful children's Hallowe'en fancy dress party was held last Friday in Hastings Hall.

The hall was very prettily decorated in colors of orange and black by Miss Alice McCrae and Miss Mildred Peitton with the willing assistance of several young men.

The costumes of the children were all very pretty, and the evening was spent in singing and playing games, after which dainty refreshments were served, and all went home happy and contented after the jolly evening.

The next evening, the adults held their masquerade dance which was very well attended. Mrs. Jones, Mr. Ross and Mr. Ward acted as judges, the following winning prizes:

Best dressed lady—Mrs. G. Ciccone, in Mid-Victorian costume.

Ladies' original costume—Mrs. T. L. Williams, as the Mystery Lady.

Ladies' comic costume—H. Hampton, dressed as a woman.

Best dressed gentleman—J. Hewison, as a Zulu.

Gent's comic costume—C. B. Strigley, as a Scarecrow.

Gent's original costume—D. Rennie, as an Inkpot.

Dancing was kept up until 1:30 a.m. Credit for the success of the event was due to Mrs. C. B. Strigley and Mrs. G. Ciccone and the young ladies as assistants.

**ILLEGAL FISHING
 CHARGE AGAINST
 BEN SELF HEARD**

Evidence for the prosecution in a case wherein Ben Self is charged with illegal fishing was taken in provincial police court before Stipendiary Magistrate H. F. McLeod yesterday and adjournment made for a week. The breach is alleged to have occurred through the halibut boat Iris using a gill net in close season to fish salmon for bait. Though the defendant was apparently unaware of the incident, he is, nevertheless, being held responsible for what occurred as he owns the boat. Adjournment was taken so that a defence witness, who is out of town, might be obtained.

D. S. Cameron is prosecuting on behalf of the fisheries department while the defendant is appearing on his own behalf.

**SPECIAL PRICES ON
 NEW SEASON'S FUR COATS
 AT GOLDBLOOM'S STORE**

A large shipment of the new season's Fur Coats has arrived at Goldblom's. These consist of silver muskrat, French seal, calfskin, Brazilian mink and Hudson seal.

For the next three days all these fur coats will be offered at special prices, thus giving you the opportunity of getting that coat you want for this winter.

And remember, every coat carries the guarantee of William Goldblom. 262

**CAPTAIN CASEY
 GIVES ADDRESS**

Speaks to Rotary Club at its Luncheon Yesterday on Church Army

Telling of the splendid work being done by the Church Army in the Old Country Captain Casey of that organization addressed the Rotary Club yesterday in an eloquent and interesting manner and enthused the members with the tales of results achieved. He told of the formation of the organization by a young curate named Carlisle, who is now Freemen of Carlisle. At first it was frowned down by the bishops and clergy and looked on with suspicion by the laity of the church but now it had 1,500 trained workers and sixty departments of activity. It maintains lodgings houses and missions. During the war it had 1,000 centres in France. Now it undertook work in the prisons and on his return he would have the work of organizing a mission in Wormwood Scrubs, one of the big London prisons.

Captain Casey said crime was on the decrease in the Old Country and he quoted figures showing a two-thirds decrease. The prohibition act was largely responsible for that condition.

The speaker gave instances of humor in the prisons and then told of the reform of prisoners, one notable case being that of Stanley Armstrong, now superintendent of the Cathedral Sunday school at Monmouth and leader in religious work.

**FARMERS ASK
 IMPROVEMENTS**

Would Have Graham Island Road Repaired and Larger Vessel on Run

TELL, Nov. 4.—A well attended meeting of the Graham Island East Coast Farmers' Institute was held at Lawn Hill on Saturday, October 30.

After a lengthy discussion, it was decided to write to the Hon. Dr. Sutherland, minister of public works, asking for some work to be done to alleviate the deplorable condition of the Skidgate to Tell Road, which will be impassable in the wet weather if some very necessary repairs are not done.

It was also decided to write asking that the S.S. Prince Charles be left on the Island run, pointing out that it is impossible for the S.S. Prince John to make the round trip in the winter as per schedule.

Tenders are being called for repairs to the Institute building as considerable enthusiasm is now being shown in Institute matters and now that the Institute is functioning again it is hoped that the petitions will receive favorable attention from the departments concerned.

Man in the Moon

PEOPLE who have nothing else to brag about are proud of their ancestors or their social standing.

THE wages of sin go to the lawyers and the police and other officials to enable them to continue sinning. At any rate it used to.

IN looking around the city it will be noticed that the highest pay does not always go to the University graduates.

A MAGAZINE writer says jazz is vulgar, blatant, hideous, degrading, demoralizing, an insult to music, a nerve irritant and a crime. Granting all that there are a great many people who like to be vulgar, blatant, hideous, degraded, demoralized, insulting, irritating, and even engage in criminal acts and yet seem to enjoy life and be eminently respectable and sometimes leaders of society.

A DETOUR is something that exists only in the effete south. We have not any here yet.

IDLE rumors usually become active directly they are repeated.

IF public opinion is against you there is hope, for at the next change you are likely to be on top.

THE independent daughters of the revolution will hold a gathering next week to provide funds for the giving of a shower tea to provide articles to sell back to the donors at a bazaar to be held the day after Christmas. Anyone wishing to donate will please do so by forwarding their donations marked plainly on outside of envelope "Man in Moon." If the articles are not needed for the bazaar the recipient will sell them and use the cash for his own Christmas festivities.

PEPS
 "Dad and Mother's
 Favourites"
 For THROAT, CHEST & LUNGS

There is no better safeguard against colds, chills, grippe, sore throats and bad coughs than these silver-wrapped Peps tablets.

Taking Peps periodically during trying winter weather keeps the delicate respiratory organs in healthy condition and protects

against harm to chest and lungs.

Sealed up in every Peps tablet are powerful medicinal fumes which pass with the breath down the throat and bronchial into the lungs.

Dr. Gordon Stables and other eminent authorities acknowledge Peps invaluable for young and old.

Of all medicine dealers.
