BRIGHTEN YOUR HOME AT LITTLE EXPENSE

NEGLECT is doubtless the cause of most of the Ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

Three Hundred Natives Disperse After Gatherings at Cathe-

FINE SACRED CONCERT

Thanks Expressed to Ladies of Church and Others Who Gave Aid

Yesterday afternoon and evening the closing sessions of the Anglican Church Army Conference, which brought some three hundred natives to the city from various parts of the district as well as eight clergymen and two representatives of the Church Army from England, was held.

The afternoon procession was held as usual, proceeding past the Prince Rupert General Hospital where each band rendered a selection much to the delight of the patients. Passing the Booth Memorial School, another stop was made at the home of the late Archbishop F. H. DuVernet where each band gave another selection for the benefit of Mrs. Du Vernet, widow of the late Archbishop, who is an invalid. The line of march then led to the Westholme Theatre where Rev. T. D. Proctor took the chair.

After the opening address and prayers. "Onward Christian Soldiers" was sung and Rev. Oliver Thorne of Kincolth gave a wonderful and inspiring address on "Our Church," showing its history and value to the people of the present day. Mr. Proctor led the whole audience in singing of "The Church's One Foundation is Christ the Lord."

Capt. Casey then made opening resand feet of film which was to be shown setting forth the whole of the Church Army work in England. The film being run through slowly, Capt. Casey was able to explain the same in detail. This set forth the foundation of the Church Army by Prebendary Carlisle, its evangelistic side in rescue work, its educational side in providing work for the outcasts of society and those released from prison and the recreational side. Scenes of Hyde Park and other points were familiar to many Old Country people. At the conclusion of the film, Mr. Proctor led in the singing of "Rock of Ages," an address by Capt. Ernest Wade of Hazelton following in both the native and English tongues. William Leighton, native of Metlakatla, then read a scripture portion in English and, after another ymn, Peter Haldane of Metlakatla gave an inspiring address in both English and native tongues. The singing of another hymn took place and Mr. Proctor closed the meeting with prayer

lerical delegates and visiting capains. Rev. T. D. Proctor moved a hearty vote of thanks on behalf of the clergy for the wonderful manner in which the native chiefs expressed their gratitude for work done among them in presenting the Gospel and also for the delicious banquet which had been provided. Rev. Oliver Thorne seconded this motion in an able manner. Then the clergy stood, led by Archdeacon G. A. Rix, and sang "For They are Jolly Good Fellows," followed by three cheers. Response was made by Chief Sa-Bash-Ha of Kitkatla whose speech was interpreted into English by Peter Ryan, native of Metlakatla. A presentation was then made by Capt. Casey by Chief Bradley of Kitkatla, of a totem pole made from the native stone of Queen Charlotte Islands.

The second speaker was chief Collison, also of Kitkatla, who expressed great gratitude for having the Gospel brought to them by the ministers of Christ. A presentation of money was made by him. Chief Ed. Gamble of Kitkatla described how he had been inspired by the conference, not knowing before the size of the diocese or the number of clergy who were working among the native peoples.
