HAD STORMY VOYAGE HERE

Fifth Grain Ship of the Season, Steamer Ainderby, in From North Shields, England

After a voyage via the Panama Canal which was uneventful other than for considerable bad weather, the British steamer Ainderby, Capt. David Simpson, Prince Rupert's fifth grain ship of the season, dropped anchor in the harbor at 4.15 yesterday afternoon. The vessel came light from North Shields, England, which port she left on October 22. The Ainderby is already lined and fumigated and, probably tomorrow, will move to the Alberta Wheat Pool's Prince Rupert elevator to start loading of a full cargo of grain for the United Kingdom or Continent.

Built in 1925, the Ainderby is practically a new ship. She belongs to the Ropner Shipping Co. Ltd. of West Hartlepool, England; is of 2998 tons register, and carries a crew of 33 men.

It is expected that the steamer Warlaby, fourth grain ship of the season here, will be ready to sail with a full cargo for the United Kingdom or Continent by noon tomorrow.

Railway offices this morning reported 240 carloads of wheat on the division west of Jasper bound for the local elevator. Yesterday afternoon, fifteen carloads arrived.
