Blank forms upon which to submit should voice the aspirations of the velops into one of the great ocean ports may be obtained from the people before the tribunal of parliament, of the world. I shall not feel in the District Foresters at the above named the highest and the greatest tribunal least envious. If my predecessor is still places, or from the Department of Lands in a democratic country. But, Mr. the member for Skeena, then surely this Speaker, when we see in that land, en- House as well as myself can support dowed with all the riches or nature, him in his demands for better transwhole countrysides in a stagnant and portation and greater development. And moribund condition, when we see men if, as the Prime Minister (Mr. Mackenzie and women struggling for a living un- King) declares, Skeena is to come into der conditions that are perhaps too the fold, supposing that thereby the desevere, we are looking at sights that velopment of Skeena and the happiness of the people who live there will be furthered, I offer no objection.

I am not here tonight to advance way of supplement to what I said re- any adverse criticism. I do not blame garding the reason for my being here, the government for the fact that setlet me read a very short extract from thers today, in the most fertile valleys the Province of September 17, 1926, of the world, are suffering untold hardis a telegram sent by the Prime ships through lack of the things they Minister of Canada to the Premier of need. It is an old grievance. I do afnted on the British Columbia. After thanking Mr. firm, however, that it is the duty of the about Oliver for his congratulations on the re- government to listen to the voice of a sult of the federal campaign, the right representative who submits to them 20 chains; thence hon. Prime Minister said: "I will look matter for thought, and who states the outheasteriy 20 chains; thence north- to see British Columbia come gradually facts, which they can easily verify as it is their duty to do.

> If I now read a quotation from the I come now to the constituency which Daily News of Prince Rupert of the I represent. An hon, member asked me tenth of this month, I think the House why it was that my predecessor was will agree with me that the hopes of not here today. I can reply to him the government appear to be bright and convincingly: the electorate of that conrosy. The late member for Skeena on stituency by their vote on September this particular occasion, in addressing a 14 gave the answer, namely, that he was not satisfactory to them because he "There is no doubt in my mind that was not placing their needs as they only difference is that I draw no salary ment of the country. You need go no and am priviliged to stay at home and further than that. If I thought for on moment that in coming to this House I might in any way interfere with the laudable ambitions and the future prosperi of Skeena I would not be here. I fee Canada today that has the great privilthat the government of the country ege of being represented by two mem endowed with a wisdom, or at least bers, one in the House on the opposition judgment sufficiently grounded, to enconstituency at heart? I give to him

whatever honor he deserves, and I add the government now a few points the dream of Sir Wilfrid Laurier comes Rupert and generally of the riding true and the port of Prince Rupert derepresent. As this House knows, in 191 Sir Wilfrid Laurier visited that port NOTICE OF INTENTION TO APPLY TO ment. He prophesied that one Prince Rupert would become one of the In Prince Rupert Land Recording Dis-Charlotte Islands, Province of British port of Rupert is an ocean port, and TAKE NOTICE that James Field, of before the next few months will have how the Hon. Randolph Bruce, Lieuten-Prince Rupert, B.C., occupation Marine passed, over fifty tramp steamers from ant Governor of British Columbia, de-Broker, intends to apply for permission Britain and the Orient will have loaded to purchase the following described grain for every port in Europe, and for Commencing at a post planted on the the Orient as well, at the local elevator. north shore of South Arm of Tasoo Har- This, Mr. Speaker, is the thing I would intend to apply to the Chief Islands, in the Province of British Col- like to dwell on for a few minutes.
