

## LARGEST GROUP SCANDINAVIANS

SINCE COMING OF ICELANDERS ARRIVING NEXT WEEK FOR SETTLEMENT IN CANADA

WINNIPEG, March 19.—The largest single party of Scandinavian immigrants to enter Canada since the coming of the Icelanders fifty years ago, will be a group of 400 Norwegians, Swedes and Danes which is due to arrive in Winnipeg next week. A portion of the 3,000 new settlers which will be brought to Winnipeg and the west over the Canadian National lines in the course of the week.

Special trains over the Canadian National lines next week will bring in passengers from seven boats, two of which docked today, and the rest of which are due over the week end. All are heavily loaded with prospective settlers from almost every country of northern and central Europe. Among them will be some 30 German speaking families, for placement by the Canadian National Railways colonization department. There is also a party of German Lutherans, being brought out by the German Lutheran immigration board. The Scandinavian party is accompanied by the Danish Vice-Consul for western Canada, Knud Schioler, who is returning from a trip to the old country. They were met at Halifax by J. C. Bertelson, general passenger agent in Winnipeg for the American Scandinavian line, on whose steamer, the United States, they crossed the Atlantic.

During the present week, the Canadian National railways have brought over approximately 1,500 immigrants, the majority of whom passed through Winnipeg, from where they were re-ticketed to their new homes in western Canada.

## AULD TIME DANCE LAST NIGHT WAS PLEASANT AFFAIR

The capacity of the I.O.E. hall was taxed last night for the St. Andrew's Society's "auld time" dance. Many of the younger generation were present and thoroughly enjoyed the dance program which included a generous assortment of Scottish dances.

The committee of arrangements consisted of Jas. S. Black, G. Scott, Ben Ferguson, and Jas. Hadden, with A. Clapperton attending at the door and J. S. Irvine president of the society, acting as master of ceremonies. The musical program was supplied by an orchestra consisting of J. Bremner, J. Watt, J. McKay and W. Vaughan Davies, while Mrs. J. Black and J. McKay played for the supper waltz. During the interval several musical selections were played by the Misses Lawrence, which were very much appreciated.

St. Andrew's Society has had a very enjoyable program of entertainments during the winter season and the dance last night was considered as successful as any of the whole season's events.

## POND OF GLOOMY LEGEND MAY BE BOUGHT BY CITY

TORONTO, March 19.—(Canadian Press).—The city of Toronto is considering the purchase of Grenadier Pond, in High Park, which gets its name from the story that a whole company of the Royal Grenadiers in 1812 were drowned in the pond when they fell through the ice. It is related that the company was on the march to Burlington from Toronto, and their way took them across the pond, which was crossed by the trail. They never arrived at Burlington and were never heard of again. The assumption that all were drowned in the pond was supported later on, when as the ice melted, several caps and other pieces of equipment were found. There was never a sign of the bodies. The placid waters are the resort of many romantically-inclined canoeists in summer, and of cheery skating and snowshoe parties in winter, and has superb natural beauty.

## PRINCE GEORGE

Bankers and Old Timers played a hockey game here last Sunday, the result being a draw with all the players tucked out and having to be carried off the ice.

As a means of financing the recent conquering tour of the Prince George hockey team, a Parisian cabaret dance is to be staged in the city next month by the Athletic Association. It promises to be one of the most ambitious events of its kind ever held here.

Alma Grundall of Gliscome, with a total of 4514 votes, has crowded Ina Allen, now having 4357, out of first place in the Canadian Legion's popularity contest. These two young ladies seem to have things pretty well between them. The contest will end soon.

The Prince George male glee club staged another successful recital in the Strand Theatre on Wednesday evening, before a large audience. The club is composed of the following members: First tenors, H. Breen, J. Gaul, M. J. Kinney, G. Paschik and Rev. S. Pollinger; second tenors—W. Bexon, F. N. Goheen and J. Quayle; first basses—G. Milburn, M. Alpine, J. Robertson and James Wilson; second basses—J. Clapperton, J.

SPORT CHAT

Last evening, the first round in the individual billiard championship of the city was completed. The semi-finals and finals are scheduled for next week. The high break for the series so far, was made by Col. S. P. McDermid, who made the exceptional run of 86. Interest in the matches so far have been good and there should be a good crowd to witness the remaining three games. The preliminary games have been for 500 points while the finals will be played with 1000 points as the goal.

An Indian girl of the Tarahumara Yaqui tribe broke the world's cross-country record for women at Mexico City when she ran thirty miles in 4 hours 56 minutes during an elimination contest for the purpose of selecting athletes to attend the University of Texas annual competition. Twenty-six girls, according to the report given by Enrique C. Aguirre of the Physical Culture Department of the Y.M.C.A., started on the Mexican marathon. The winner, Juanita Pienelena, was followed closely by Juanita Cuazarre.

Mike McTigue, whose spectacular drive for heavyweight recognition contributed one of the most colorful features of Tex Rickard's elimination series, may have another chance to regain his lost light-heavyweight laurels. Completing tentative plans for a bout between McTigue and Tommy Loughran on May 13, Rickard indicated his intention of pitting the winner against Jack Delaney. "Expectations are that the title battle, if Rickard completes his program, will be held at Yankee Stadium in June."

Walter Johnson, star pitcher of the Washington Senators, has broken a small bone in his ankle, and will be delayed in the spring training approximately three weeks, Clark Griffith, president of the club, reported to the Washington Post.

Never ask a girl what she is thinking about. There are enough lies in the world already.

## "Will Morning Never Come?"

"If I could only sleep I believe my nerves would soon be all right, but night after night I lie awake and think about everything under the sun."

"What chance is there of getting better so long as this goes on?"

"None. Nerve force is being exhausted nearly twenty-four hours of every day, and there is no rest and sleep in which to replenish the waste."

"One thing sure I cannot stand it much longer, for I know that every week—yes, every day—finds me more restless and nervous, and less able to stand the strain of the day's work."
