NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

Last Night's Was One of Intermediate League's Best

In one of the best Intermediate League baseball games played so far this season. the Native Sons of Canada last night got their first mark on the winning side of the standing sheet by defeating the Elks 7-3. There was a fair attendance to witness a match which was characterized by good tight play. The Elks introduced a new pitcher, Eddie Raabe, and Alex Slocomb hurled good ball for the Sons. Fielding and batting was good, a feature of the game being a three-bagger in the second inning by Vincent Meagher for the Sons with one man on bases.

Will Lambie umpired balls and strikes and W. E. Williscroft, bases.

The league standing is as follows: Grotto ..... Elks ..... ₹.600 Native Sons .....

rallies full of good placements, sharp volleys and clever net play. Ryall was always steadier and though his service d not the possibilities of Cabeldu's served no double faults. In general court play Ryall was the better. his control was good, his passing shots his opponent came to the net were good that Cabeldu early decided that play was the backline. But Cabel-Ryall, and his forearm drive to Ryall's backhand won him many points.

The players are to be congratulated on the sporting spirit of the series and future meetings between these two will draw big crowds and provide splendid spectators.
