

Why you need LIFEBUOY--the purifying Toilet Soap

Think of the adventures of a coin--or a piece of paper money in a single day. Think how unclean a thing can become by passing from hand to hand.

And money is only one of the objects you often touch that are touched by other handsobjects that carry invisible but dangerous germs.

Millions have turned to Lifebuoy Soap as a prevention against infection and as an allsufficient, delightful Toilet Soap.

The orange red cake in the orange red carton is a familiar sight in countless homes where the truth is recognized of the old axiom that "an ounce of prevention is worth a pound of cure."
