MOOSE BEAT GRAND TERMINALS BY

Ideal football weather prevailed for the opening game of the Stuart Shield series between the Moose and the Grand was weak, neither goalkeeper being called upon to save. Sam Currie had hard luck with a free kick just outside the penalty area. The Moose continued to press and forced two corners succession, the socond of which was cleverly cleared by Geo. Hill. Murray sent in a curling shot which Gurvich only saved at the expense of which again proved The Moose were playing keen football, and thoroughly deserved their lead when Sammy Erskine scored from a penalty. The Terminals' defense were not playing well together and gave little to the forwards. The Moose were awarded another penalty and Erskine gave Gurvich no chance with a hard drive, putting the Moose two up. The Terminals had more of the play after this, and Dickens twice sent Hamilton away on the right wing. Two corners were the result, both being cleared easily. The Terminals continued to press, and Dickens sent in a hard drive which Peacock saved, but the referee ruled rightly that the ball was over the line and awarded a goal. This put fresh heart into the Terminals, and headed clear a nice corner Hamilton. The half time score was Moose 2, Terminals 1,

The Moose pressed heavily on reafter Gurvich had saved finely from Hodgkinson he was beaten by the same player from short range. Three minutes later Dido Gurvich beat his brother in the Terminals' goal with a neat header. Nothing daunted, Terminals attacked continuously and from a centre from Jimmy Farquhar, Dickens scored with a beautiful shot. Shortly after, the Moose scored from a breakaway, Geo. Hill putting through his own Straight from the kick-off. Meyer reduced the lead for the Terminals with a nice shot and immediately after Dickens made it four. Play was fast and exciting, and after some scrambles round the Moose goal, Hodgkinson scored at the other end from close in. This completed the scoring and the Moose team ran out winners of an interesting game by 6 goals to 4.,
