By George McManus

Lyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

VANDERHOOF

The Vanderhoof and District Board of Trade is urging upon the provincial authorities the advisability of throwing reverted farm lands in the central interior open to pre-emption.

Terrence P. Calhoun has purchased the large building at the corner of Burrard Avenue and Stewart Street East from S. N. Christian, one of the early property owners of this district.

Harry Stokes has opened a barber shop here on Burrard Avenue.

F. G. Cook, the new school principal here, accompanied by Mrs. Cook and three children, arrived on Saturday light from the south.

Merville Averill is building a sidewalk on the south side of Stewart Street East toward R. C. McCorkell's office.

Thomas Mitchell has been making improvements to his residence on Stewjart Street.

Mrs. Horace Samuel, who has been ill recently, is still under medical care, being far from well. It is stated here that a complaint

made by the Associated Boards of Trade as to condition of the road into Vanderhoof is unwarranted. Sergeant Walker, chief of the proImported? NO! It's both older

The drift being driven on the rick opper ore body in the Vanguard mine ore with phenomenal value of fifteen per cent copper, the showing improving site of the present float. the further it is gone into. A new tunnel has been commenced 500 feet determine the width of the ore body.

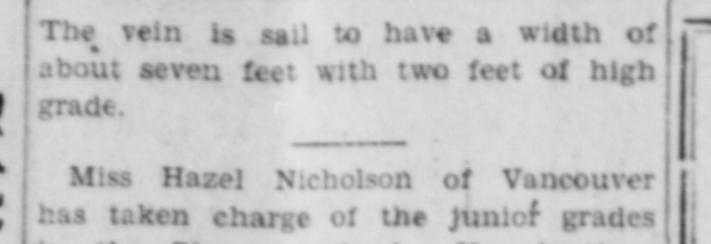

Paul F. Brown, New York mining engineer, before leaving for the south last of Glacier Creek. week, stated that the Alice Arm district was a first class mining field and prestated that he expected to interest capi- tunnel which was started last winter, overrated, and that it was just publ

An important discovery of high grade ore, running about five per cent copper with silver and gold values, has been made by James Calvin on the Stormer group which consists of four claims and adjoins the La Rose on the west.

Following a ruling made by the department of education which raises Alice Arm to the status of an organized district, the local school board has decided to raise the assessment for school tax from \$750 to \$1350. The department now provides \$580 toward the salary of the teacher while the people of Alice Arm must supply the balance which amounts to \$820.

Surface stripping caried on this season on the Bunker Hill property, adjoining the La Rose, has been instrumental in discovering two new ore veins containing good values in silver-lead and zinc

W. A. Johnstone of Vancouver has re-

The local building boom includes ar extensive addition to Harry Zeffert's clothing store; two storey garage building for Charles Adam; extensive additions to the Catholic Church; residence for R. W. Kennedy, local lawyer, and two houses for John Campbell of the Stewart Dairy.

More veins of high grade ore, similar to that reported in connection with the recent discovery on the property, have been located. John Haahti is charge of operations.

Miss Muriel Forsythe has returned from a brief visit in Prince Rupert.

W. R. Tonkin has returned to Seattle after looking after mining interests

C. P. Hickman of the Dominion AGENTS-EITHER SEX-\$75 WEEKLY hatchery department is here on his annual visit and has gone into Meziden Lake accompanied by Fred Young who is packing his supplies.
