serious illness.

Two residences are being built at the southeast corner of Fourth Avenue and McBride Street by interests represented by Thomas McClymont, broker.

Dr. Walker arrived from Vancouver on the Prince George on Saturday and left for Logan Inlet on the steamer Prince Charles on Saturday night.

Sawe lour Forests

## For Sixty Hears

THE FOREST has played a major part in Canada's development. The stability of our forest industries is threatened by forest fires which have destroyed five times the quantity of timber used. Carelessness with fire in the woods has been mainly responsible. Will YOU help to stop this wanton waste and ensure Canada's continuing prosperity?

CHARLES STEWART Minister of the Interior

Canadian Forest Week, April 24th to 30th, 1927
