MINING ACTIVITY AT NEW HAZELTON

Silver Cup, American Boy and Sunrise Operate This Season

NEW HAZELTON, April 25.— Mining activity in this district is already off to a good start and a big season is anticipated. Beside the work at the Silver Cup, it is reported that the American Boy property, which has recently changed hands and is being financed in the east by William McAdam, who was formerly interested on Rocher de Boule mountain, will resume operations about the middle of May. Good progress is being made on the Sunrise and it is probable that qoite a staff will be engaged during the summer. This will make three operating properties on Nine Mile Mountain.

PLEASANT DANCE BY NAVAL OFFICERS ON SATURDAY EVENING

Officers of the R.C.N.V.R. upheld their reputation as hosts on Saturday night when members of the ward room mess gave a private dance to members of the local branch of the Navy League of Canada at the I.O.D.E. Hall, in celebration of the ninth anniversary of the naval attack on Zeebrugge.

The hall was artistically decorated with naval flags, pictures, and a plan showing how the German submarine base was blocked. The names of the ships engaged in the raid were posted in various parts of the hall as places of "rendezvous."

Lieut. R. P. Ponder acted as master of ceremonies and members of the Sea Cadet Corps assisted in handing round refreshments. About forty couples were present.

BOY SCOUTS HAD CHURCH PARADE

Twenty Strong Turned Out Yesterday for Baptist Services

Yesterday the Rupert Troop No. 3 (Baptist) Boy Scouts paraded to church in a body, it being the day for their annual church parade. About 20 strong turned out in uniform and presented a smart appearance reflecting much credit on the organizer Scoutmaster P. C. Miller.

During the service Mr. Miller outlined the aims and objects of the scout movement and called upon the boys to rise and repeat their pledge of allegiance and loyalty.

The pastor, Rev. W. F. Price, spoke appreciatively of the work and complimented the scoutmaster on the success of the troop. The boys are planning to have bugles added to their equipment in the near future and plans are also being considered to have a summer camp. Many boys have already won badges and others are working for them.

Guard Them — Those things that money can't buy

"IT is an unpardonable crime" writes Mrs. Ethel Baillie, of Montreal, "to use any other suds than 'Lux,' for the exquisite hand-made woolies, belonging to the "Teenie Weenies;" the soft, dainty shirts, panties, jackets, bootees, etc.

"They represent, besides the expense, many hours of skilful, patient work, done by the loving hands of adoring Grannies, Mothers and Aunties. To risk spoiling these lovely, delicate little garments, by using anything but 'Lux' would be an unpardonable crime, for they *cannot* be replaced. Money cannot *buy* what love *gives*."

There is a lot of good common sense in this letter.

Mrs. Baillie is but one of the millions who has found by experience that when it comes to doing difficult as well as simple work — there is no substitute for Lux.
