HER HIGH HEELED SHOES.

When he had asked her to go out with him one evening she had visioned a comfortable seat at the pictures with a big box of chocolates. But he merely took her for a long walk into the country.

She had never been a very good walker, and matters were made worse by the fact that she was wearing high-heeled shoes. She must have lagged a little after about four miles, for he suddenly said: "Tired of walking?"

"I certainly am," she answered.

"Well, let's try running a little!"—Yorkshire Post.

A GAY OLD WORLD.

It's a gay old world when you're gay
And a glad old world when you're glad;
But whether you play
Or go toiling away
It's a sad old world when you're sad
It's a grand old world when you're great
And a mean old world when you're small;
It's a world full of hate
For the foolish who prate
Of the uselessness of it all.
It's a beautiful world to see
Or it's dismal in every zone.
The thing it must be
In it's gloom or its glee
Depends on yourself alone.

BIG SCORING AUSTRALIANS

New South Wales Team Makes Runs at 120 an Hour

SYDNEY, Australia, Nov. 25.— New South Wales has a penchant for doing remarkable things on the cricket field, and the name looms large in the records of the game.

Against the New Zealand team that toured England last summer, at Sydney they ran up a score of 671 in four hours and three-quarters—a rate of 120 runs an hour. The 500 had been signalled before the fourth wicket went down. There were four centuries in the innings—J. M. Gregory (152), T. J. E. Andrews (134), J. Jackson (104), and A. F. Kippax (119). These four men were Nos. 2, 3, 4, and 5 in batting order.

Such an occurrence is rare. Once have five individual centuries been compiled in one innings—by N.S.W. in 1900-1901 against South Australia, when the players concerned were S. E. Gregory, M. A. Noble, L. O. S. Poidevin, R. A. Duff and F. A. Iredale.

On 14 previous occasions have four centuries been made in an innings—and three of them stand to the credit of New South Wales. It is also interesting to note that in two of these instances, Kippax, now captain of the team, was one of the century-makers. He will be a new member of the next Australian team to visit England.

The bowling analysis makes sorry readings. There were only three maiden overs in the whole innings, and W. E. Merritt, the young googly expert, was punished for 218 runs off 23.2 overs.
