AIR CLEARED IN

OUTSTANDING POINTS CLEARED AT MEETING LAST NIGHT-SEVERAL POSTPONED GAMES ALLOWED

Billiard League matters were given a thorough discussion at a special meeting of the Association last night in the City Hall. Certain matters upon which there had been disagreement were settled and as a result, the air has ben cleared and the activties of the league should be off to a good start again. Fred Pyle, president of the Association, presided with W. H. Long, secretary. keeping the records.

In the matter of the Moose vs. Terminals tournament of last Tuesday, in which four games were not played owing to differences among the players, it was decided that these four games, to be played this week would be allowed. Owing to the resignation of Don Brown, George McImoyle was assigned to the Moose team as first man and Joe Brown was appointed captain. Charlie Balagno will now be first man on the Billiards: Grand Terminals vs. St. An-Terminals in place of P. O'Donnell who, with Don Brown, has resigned from his team and the league.

A postponed game in the Grotto-Gyro tournament of Friday last between J. Andrews and W. J. Nelson was also allowed.

The Association decided that, owing to the shortage of players, all postponed games in future would be left Friday: in the hands of the executive as to whether they should be allowed or disallowed.
