WERE USED FOR SMALL CHANGE

COUNDED before Canada had any currency of its own, the Bank of

Montreal in the early part of the Nineteenth Century obtained authori-

Throughout its long history, the Bank of Montreal has always been

active in serving the financial needs of the people of Canada,

steadily extending its service as the need and opportunity for it arose.

Anyox feels this would tend to loster a greater sporting spirit among the four towns. The suggestion of the melter town will be welcomed in Prince Rupert and it is to be hoped that it will be met with favor in the other towns. The big difficulty would be arranging time and transportation for such a series but the proposal has possibilities the achievement of which would be a great thing for the fans i

## PARENT TEACHERS MUSIC AND ADDRESS

Children's Orchestra Play Well and Rev. J. R. Frizell Impressive

The regular meeting of the Prince Rupert Parent Teacher Association was held in the Auditorium of the Booth Furniture of all sorts bought, sold or School last evening when Mrs. Boddie presided over a large meeting.

The association voted the sum of \$20 to High School, Borden and Booth for sports purposes or such as the teachers might decide and \$10 to Seal Cove. The schools appreciate this donation very much as all expenses for sports are met out of private funds, no provision being made in the school estimates for help towards financing such necessary activities of modern school life.

A very interesting program was provided by the Children's Orchestra under Professor Aubrey Pryce. The young musicians rendered five numbers in all and their confident playing, sure bowing and harmonious ensemble were the subject of very complimentary comment. Mr. Pryce and the children are all to be congratulated. Rev. J. R. Frizell then talked on the

influence of the state, the home and the school on the child and how each played a very important part in the training and education of the children. His remarks were very apt and carried conviction for their well thought out and impressive presentation.

A sale of home-cooking is arranged + + + + + + + + + + + + + for June 7, in the Booth School for funds of the association.
