How to make a Bovril Sandwich

Just spread a little Bovril between two thin slices of bread and butter-it's the easiest and tastiest sandwich you can make.

Excellent for afternoon teas, parties, or for any occasion where time is lacking for the preparation of a heavier meal. Bovril Sandwiches are particularly admirable when something more sustaining than "just the ordinary sandwich" is needed.

As an addition to the Traveller's lunch basket there is nothing to beat Bovril Sandwiches. Bovril is the Cook's best

friend at all times.

AN EXTREME CASE OF CONSCIENCE COWARD

(Manitoba Free Press) We are always hearing of extreme cases of the workings of conscience, but the limit was reached in Sarnia the other day. The chief of police received a letter from a former resident, who confessed that he had ridden his bicycle on the sidewalk some twenty years ago and desired to have a charge laid against him. He would remit the amount of the fine, he stated, just as soon as it was determined. The chief replied that there was no charge on the records against him and that proceedings would not be taken.
