SLOGAN CLOSES THIS EVENING

Very close to a hundred slogans or perhaps more will have been received by F. W. Hart, who has been arranging the competition which is now closing. The judging is expected to take place tomorrow. Following are a few of the more recent slogans submitted:

Prince Rupert grain
Prince Rupert's fame.

Prince Rupert, the wonder of the golden west.

Prince Rupert fish
A prairie dish.

On to Rupert, it's furthest west,
The road is the shortest, the grade is the best.

SMITHERS

As a result of improvements to the engine, record time is being made in pumping water out of the Topley-Richfield mine. Actual mining and development work is about to start.

Weeks ahead of previous years, tie hauling got under way this week in the Smithers district, early snowfall having made it possible.

Dr. R. C. Bamford left this week for Victoria and will be away until December 20. Dr. Bamford is attending a meeting of the advisory board of Farmers' Institutes and is accompanied to Victoria by J. W. Turner.

The Omineca branch of the British Columbia Chamber of Mines is desirous of a branch being established in Prince Rupert. To encourage its formation, a collection of ores taking in forty-three properties has been shipped this week to the coast city.

When fire broke out in his garage recently, Frank Keefe lost his Star car as well as the garage at Francois Lake.

A portable compressor is to be put at once on the King Tut property so that development work may be rushed. The tunnel contract may be increased from 200 to 500 feet.

The residence of Mr. and Mrs. Osborne at Colleymount was burned to the ground recently, all its contents also being lost.

Miss Orlinda Hartnett, who has been living for several years in Smithers with her aunt, Mrs. James Porteous, leaves this week-end for her home in Toronto. On the eve of her departure, Miss Muriel Stephens and Miss Margaret Downey have been recent hostesses in her honor.

Holstein cow "Molly," belonging to C. J. Killer, led for the month of November in the Bulkley Valley Cow-Testing Association's competition. Her production was 1426 pounds of milk and 61 butter fat.

Mrs. L. S. McGill entertained with four tables of bridge Tuesday night. Prize-winners were Mrs. Stanley Bennett, Mrs. T. W. Brewer and Mrs. W. V. Tomlinson.

Mrs. C. P. Huff and family have arrived in Smithers to make their home with Mr. Huff who is in charge of the mill at the Duthie mine.

Mrs. G. H. Wall and Mrs. J. R. McIntyre were joint hostesses at bridge last Friday night. Prize-winners were Mrs. W. H. Doodson, Mrs. Charles Reid and Mrs. James Porteous.

Kenneth Warner celebrated his thirteenth birthday with a party for boys and girls last Friday night.

T. J. Shenton, inspector of mines with headquarters at Prince Rupert, is making a trip through the Bulkley Valley on official duties.

Extensive alterations and improvements are being considered for the Smithers Hall.

PORT SIMPSON GAMES AFTER FIRST OF YEAR

Time Not Opportune Now for Series Basketball Association Executive Decides

At a special meeting last night of the Prince Rupert Basketball Association, it was decided that it would be impossible to meet with Port Simpson's request for a senior series until after the first of the year. It was felt that such a series would probably be patronized more substantially after the holiday season than it would be now.

So as not to conflict with the staging of the play "Adam and Eva," it was decided that the games regularly scheduled for next Tuesday would, instead, be played on Monday night.

An application from Tom Kelsey for transfer from High School Intermediate League team to Big Four was rejected, grounds for the application being considered insufficient.

The meeting was presided over by G. W. Johnstone, president of the association.

TOBOGGANING LATEST SPORT AT TERRACE IS RESULT OF SNOWFALL

TERRACE, Dec. 2.—An almost continuous fall of snow during the past few days has provided the best sleighing here in two years. Cars and trucks are moving with difficulty while children as well as a number of grown-ups are enjoying the tobogganing on the hills around town.

STARTED TO PRAY FOR TUNNEY IN FIGHT

NEW YORK, Dec. 2.—Father Duffy, popular padre of the United States forces during the war, explained at a banquet that when he was watching Gene Tunney on the floor where Jack Dempsey had knocked him in the seventh round of their title bout at Chicago, somebody shouted at him:

"Pray, Father Duffy, dam it, pray."

"I started to pray, but suddenly stopped," Father Duffy said, "I thought it wasn't fair for an Irishman to have help in a fight."

SPORT CHAT

Negotiations for the purchase of the Jersey City International baseball franchise by a million-dollar Montreal corporation have been completed, John Conway Toole, president of the league, disclosed. The transfer of the franchise, effective for the 1928 season, is expected to be ratified by the league club owners at their annual meeting. George T. Stallings, "Miracle Man," of the Boston Braves of 1914, and manager of the Rochester Internationals, is a prime mover in the new Montreal organization, which will put the Canadian city back in the league after an absence of 11 years. Stallings will be manager and a member of the board of directors.

CAUGHT BAD COLD WHILE OUT PLAYING NOT PROPERLY DRESSED

Mrs. L. Mantie, Millet, Alta., writes:—"My youngest child had a very bad cold which she got by going out playing in a strong, cold wind not properly dressed.

"She got so hoarse she could hardly speak, and her throat and chest were very sore.

"I used everything available, but she received no relief until, finally, I secured a bottle of

Dr. Wood's Norway Pine Syrup

and the first few doses certainly did her good. It is wonderful how it can help so quickly."

"Dr. Wood's" Norway Pine Syrup is 35c. a bottle, large family size 60c.; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Nobility will have a hand in the Montreal club's affairs, Mr. Toole revealed in announcing that Lord Shaughnessy will be a director.

Pete Sarmiento, the brown boy from the Philippines, has returned to his native land virtually "broke" after having earned $258,000 with his fists in American rings in the last four years. To add to his troubles, Sarmiento is partially blind. After engaging in one or two more bouts, to get a nest egg, Sarmiento, a one-time dangerous threat in the featherweight and bantamweight ranks, intends to open a barber shop in Manila.

Sarmiento spent his money as fast as he could make it. He gave it away. He bought expensive clothes, four or five suits at a time; bought costly automobiles, made reckless loans and otherwise let a fortune slip through his fingers. Then, when his ring days were reaching an end, he became thrifty, but it was too late. When he left Chicago, his one-time fortune was reduced to his passage to the Philippines and a few hundred dollars. Since the first of the year, Sarmiento fought with the sight of his left eye partially destroyed. Ringside fans, screaming in the excitement of the thrilling battles he usually put up, did not know that, and the little brown boxer carrier gamely on.

Cold Storage, which is in second place in the Billiard League close on the heels of the leading Maple Leafs, and Grand Terminals, cellar team, will meet tonight. Players have been selected as follows:

W. H. Long (Cold Storage) vs. F. G. Pyle (Grand Terminals).
Andy Murray vs. Frank Vieman.
J. Hillman vs. Jimmy Andrews.
A. McDonald vs. Ben Self.
Johnny May vs. Joe Beesley.

Rogner Rhodes, for assault, was fined $20, with the option of fourteen days' imprisonment, by Magistrate McClymont in the city police court this morning. The informant was O. Wikdal who stated that accused had struck him on Seventh Street between Third Avenue and Fraser Street, knocking him fifteen feet off the sidewalk into the muskeg. There was an altercation over $20 owing by accused to the informant for board and each blamed the other for starting the hostilities. His Worship, however, accepted the story of informant.
