NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

Prince Rupert Badminton Club to Open Friday Night; New Officers Elected

At the annual meeting of the Prince Rupert Badminton Club held in the Dail News rooms last night, F. E. Robertson in the chair, officers for the year were elected, reports received and plans made for the coming season which opens on Friday evening of this week and to which all players or those intending to play are cordially invited.

Secretary Crew reported that there was | a nice balance in the bank left over from last year. It was then decided to reduce the annual fee from ten dollar. to eight and where a man and wife join the joint fee will be twelve dollars. It was pointed out that this was much cheaper than any other club in town as the club provides shuttles for the members, whereas in the other clubs the members provide their own.

Officers were elected as follows: President, George Bryant. Vice-president, Alex. Connon. Sec.-treasurer, Miss Lorna Tite. Executive, H. Ryall, Joe Scott and Miss

Following the meeting the executive interviewed the owner of the De Luxe Hall and arranged to use it temporarily with the probability of continuing there throughout the winter. The opening will take place there.

Those attending reported that there seemed every probability the club would be a good deal larger than last year, as a number of people had expressed their intention of joining. The lowering of the fee it was thought would make
