PRUNES COMING AT LOW PRICES

Potatoes Very Plentiful and Selling Cheap With no Prospect of Rise

TEA AND TOMATOES SCARCE

Preserving prunes will arrive this week and the price will open around $1.25 per crate. This is much lower than earlier expectations and no doubt there will be a heavy movement in the home canning trade. This prune plum is one of the most popular of all the canning fruits and, with the price at a reasonable figure, local dealers are expecting a large volume of sales.

Crawford peaches are also in and retailing at $2.00 a case. Quality is good though size is small as usual. Many who do not care for the earlier Elberta peach will have an oportunity this week to put up Crawfords.

Pears for preserving are very scarce this year. Many growers in southern British Columbia report a complete failure of the pear crop. Prices will be around $3.50 per crate for unwrapped and about $1.00 higher for fancy wrapped stock. Prices will not go lower as the demand exceeds the supply in sight and it looks as if housewives would be well advised to purchase their requirements without delay.

POTATOES PLENTIFUL

The potato is low this year with little prospect of any advance. Good quality potatoes are wholesaling as low as 90c a sack in Vancouver and as the United States has a huge surplus stock this year, it is certain there will be no speculation in this market like that of past years, under the guise of export demand. Dumping duty will prevent United States shippers from unloading surplus stocks in Canada but will not help to advance prices on a market which is top heavy.

There is great activity in the tea packing houses throughout Canada these days. Staffs are working night and day to pack and ship orders out and it is rumored that an advance of 10c lb. will go into effect at any time. Tea at present prices seems real good buying. Calcutta latest cables advise added stiffening of the market. There has been no advance as yet in package lines but all bulk teas have jumped from 8c to 13c a lb. in the past 68 days.

Dr. Price's cream baking powder which has been a standard of quality for over sixty years, is gaining new customers every day. This company has recently distributed a practical cook book through the local stores which is worth its weight in gold to any housewife. In addition to the usual recipes to be used with this high grade product, there are some timely recipes for pickles, catsups, preserving fruit, jellies, etc. Coming at this time of the year when nearly every family is doing some home canning, this cook book will surely be appreciated. If you have not got a copy, phone your grocer today and it might be a happy suggestion to add a tin of Dr. Price's Baking Powder, which will be found cheapest in the long run.

TOMATO PACK SMALL

There is every prospect of a short and high-priced pack of canned tomatoes this year due to bad weather in the canning districts. None of the canners will exceed fifty per cent of their normal pack with some canners reporting as low as fifteen per cent. Present indications are that altogether the average pack will not exceed 35 per cent of normal. Canned tomatoes at present prices are therefore good buying for this season's pack will be high priced owing to the shortage.

GOLF COURSE AT TERRACE

Indolent Interest Taken in Scheme But Suitable Site is Available

Terrace people are taking a more or less indolent interest in the proposed golf course which has been mentioned at meetings of the Board of Trade and elsewhere at that town. So far nothing definite has been done except to get an offer of an eight acre tract of land, mostly cleared, which would be very suitable for the purpose. It is on the hill overlooking the Kitsumkalum river and also looking over the Skeena Valley. While the farm buildings are not very good they could be made sufficiently habitable for club house purposes.

The farm can be purchased for $4,000 and the land is of such a character that it would cost comparatively little to put in greens. It would be easily available to Prince Rupert and Terrace people and seems to be the best proposal yet made. What is needed is some enthusiast who will devote time to organizing and pushing it through to successful completion so that it might be ready for play next spring.

PRETTY WEDDING AT CATHOLIC CHURCH

Miss Emelio Frasolo Becomes Bride of Guisippi Rosin

On Sunday morning at 9:30 at the Catholic Church, Rev. Father McGrath united in marriage, Miss Emelio Frasolo and Guisippi Rosin of this city, the bride having only recently arrived from Italy. The bride and groom were attended by Mr and Mrs. T. Bussanich and Mr. and Mrs. L. Campagnolo. The bride looked charming dressed in sand colored crepe de chine and carrying a bouquet of pink roses and sweet peas.

After the ceremony the happy couple and wedding guests drove to the new home of the groom on Ninth Ave. East where the wedding breakfast was served. In the evening a reception was held, over one hundred being present, delightful refreshments were served, the bridal couple receiving many beautiful and useful gifts. The evening was spent in singing and dancing, and music furnished by the Bussanich brothers, L. Martin and J. Slaggard.

As the bridal cake was being cut by the bride all gathered around to wish the happy couple many years of wedded bliss. They will take up residence at 1071 Ninth Ave. East.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.
