# Strains Bruises

For Sprains and Strains, rub with Painkiller every two hours until pain subsides. Keep injured part at rest. Then wrap bandage soaked in Painkiller around affected part; cover with dry cloth. Renew twice daily until well. For Bruises, raise bruised part if possible. Apply first, cloths wrung out in ice-cold water; change often to keep cold. Then wrap with bandage soaked in Painkiller. #### EXPRESS OPINIONS ON POLICE BY VOTING.

Voters of the city are urged to turn out in force on Thursday off one reserve, \$15,000 worth of cattle next to express their opinions through the ballot on the police question. This is turning out to be, as was predicted in this column a Indian raised cattle, took first couple of weeks ago, the only absorbing issue of the campaign if we may call it that. Supporters of both systems-provincial police the Winnipeg market. or city police-have been doing some quiet campaigning during the past week or so and there is a certain amount of keenness. The provincial police have been here long enough now for the people to judge whether their system or the old system of city policing was world. the more effective. Without expressing its feeling one way or the other, this paper would urge the voters to consider the matter care- 70 to 100 registered bulls, and the confully and vote for the system which it deems best. It is to be hoped stant breeding for better stock, has that no ulterior motives will be brought into play in settling one's resulted in making of our herds the own mind or in advising other people how to vote on the question. Some people think that the result of the referendum may be con- ada," Mr. Graham added. strued as the choice for an "open" or a "closed" town.

For those who may not be familiar with municipal law, might be stated that voters of all classifications are entitled to 27,000 acres of summer fallow, 600 acres ballot on the police question, a majority vote deciding which system of gardens and 800 acres of potatoes. Mitchell, who is in command of is favored.

On the sewer bylaw as on all money bylaws, only property put up for winter feed. holders or taxpayers may vote and it will require a sixty per cent vote in favor to carry.

#### NO TIME LOST BY CUSTOMS MINISTER.

One of the recommendations made by the chief counsel to the loved wigwams, but they also are gocustoms inquiry has been acted upon promptly by the department "The report of Inspector Christianson, says the Edmonton Journal. The minister of customs announces who has just returned from the Fisher that a hard and fast ruling has been laid down that ships clearing River Indian reserve in Manitoba, from Canada with cargoes of liquor must prove beyond doubt that one of the best indications of progress these have been landed at the points for which clearance has been that the department has received," the granted. Where evidence is available that papers are made out for Commissioner, concluded. fictitious trips, the cargoes will be seized.

The officials believe that by this arrangement they will put an end to the shipping of liquor to the United States. That they will BRITISH STILL UNDER succeed entirely is open to reasonable doubt, but nothing should be left undone to accomplish the result that they have in view. The treaty entered into with the American authorities demands this.

Objection has been taken to these measures on the ground be slaves to prohibition, boast many of that Canada has enough to do in enforcing its own laws without King George's subjects who, nevertheundertaking to help the adjoining country in making its laws effectless, still put up with anomalous retive. But the claims of good neighborliness cannot be overlooked and strictions imposed during the war as \$12.30. the situation that has arisen cannot but be in the interests of precaution against air raids and to save friendly relations between the Dominion and the Republic. Besides,! it has been shown that such steps are imperative for our own pro-

imposed by "Dora"-Defense of the The evidence brought out at the inquiry has demonstrated Realm Act-lists examples: that liquor valued at millions of dollars that was supposed to have | Sponge cakes may be sold until 9.30 been shipped out of Canada never left our borders, but was sold p.m., but the sale of buns has to stop here. The government has been thus robbed of very large revenus an hour earlier. and the problem of enforcement in the Canadian provinces has been made much more difficult.
