All-Time High

WINNIPEG (CP)_Shipment of grain from Canada's mighty bread basket is nearing its seasonal peak and railways figures today showed shipments since Aug. 1 already total 15 per cent more than last year.

Reports from the Canadian Pacific and Canadian National Railways showed 109,716 cars loaded at prairie delivery points for shipment to lakehead terminals compared with 93,310 in the same period last year.

and 2,000 bushels, making the haul total approximately 200,-000,000 bushels. The west's wheat crop this

year was estimated by the Dominion Bureau of Statistics at a record 1,300,000,000 bushels. Potential marketings. allowing for seed, feed and carryovers have been estimated at 870,000,000. Peak movement on the Great

Lakes is reached in November when cold weather gradually chokes off iron ore shipments and vessels switch to the grain another matter. As is often the run until the early December case, time was the most importfreeze-up.

last year saw more than 18,000,- jit win. He took the heart con-000 bushels of grain taken from tinuation with the ace and laid the Lakehead. Shipments at the down the ace of trumps. The end of October this year were fall of the 10 from Mrs. Keen's running about 10,000,000 a week. hand caused him to pause. Stocks totalled 55,000,000.
