HIS ROYAL HIGHNESS SETS FASHION IN MEN'S DRESS BUT DOES NOT CREATE STYLES

cles in Dublin they are talking of visit to Ireland from the Prince of

the wish being father to the thought. The most interesting thing about it is that it is almost certainly the direct result of the change in title of the King. Visitors from the Free State speak of it with the liveliest satisfaction. "We have a King of England doubt to us Irish before," and he went on to say that the change, which would give Ireland "a king of her own," was really an important political event for the Free State, because it ficulty which some members of Dail still experienced about the oath of allegiance.

The Prince of Wales was at the New Gallery last week to see a private presentation to exhibitors of the hospital

NEW ERA IN UNITED STATES NAVAL HISTORY HAS FULLY DAWNED; ARCHAIC COAL BURNERS DISAPPEARING

WASHINGTON, Jan. 5 .- A new era in United States naval history will have fully dawned at the end of the year ago through the inventive genius Robert Fulton, will be a thing of the eventful past.

Three dreadnaughts, the Utah, the Wyoming, and the New York which in their days have consumed unknown quantities of coal, remain to be modernzed. They will have a new set of innards-namely, oil-burning furnaces to place them on a par with other firstrate ships of the fleets. When they are turned out of drydock they will mark fulfillment of a program inaugurated more than 10 years ago when oil was determined more desirable as a ship

FIRST USED IN 1910

Disappearance of the coal burne a sequel to the fading of the romance which the full-sail-rigged frigate imparted to the main. In 1815 Robert Fulton built for the navy the first 'fire-eating monster" which churned its magical course out to sea spelling doom

Nearly a century later, in 1910, the Norh Dakota, first United States bat-
