TERMINALS WIN FOOTBALL GAME

Got Into Game as Possibility Last Night by First Victory

With a couple of old-timers out again and playing good football the fans were treated to a game that was always interesting, full of exciting incidents, and many missed chances, when Terminals got their first win of the season by beating the Moose eleven 4 to 2. Ernie Warren for Terminals took some time to get into the swing but he is good. Bobbie Woods turned out for the Moose and promises to reproduce his old form.

Terminals playing down hill were the first to press and Peacock was called on by Dido Gurvich and Dickens. Hamilton just missed. A spell of midfield play followed and Peacock saved three times. Then Warren beat him, but a fine shot hit the far upright and rebounded into play. Moose took up the running and Bye's shot was deflected by Howe past the goalie to put the Moose a goal up. Woods stopped Dickens and then Bye missed narrowly, first with a header and then just past the post. After Warren had put over, Bye at the other end hit the under side of the cross bar but the ball came out. Terminals were bound to get a goal and at last a slow shot from Dido Gurvich slipped past Peacock to make the score even. Half time came with the score 1-1.

Playing up hill Terminals took up the offensive and twice in succession Warren missed two glorious centres of Hamilton's. He converted a third with an unstoppable shot to give Terminals the lead.

lead. Peacock failed to clear Dido's centre and Hamilton made it three for Terminals. Spiro fisted away Murray's corner kick. Dickens went clean through to finish hopelessly. At the other end Jack Murray flashed a fine shot on the wrong side of the upright. Sam Currie was now centre for Moose but the goal came when three Terminals players combined with beautiful head-work to beat their own goalie. With only a goal to separate the teams, play became harder and Dickens finally put his team two goals in the lead. Play alternated from end to end with both teams narrowly missing but no further score was made and Terminals ran out worthy winners.

SPORT CHAT

An interesting visitor in the city yesterday was Frank Moran, a former noted heavyweight boxer who some years ago figured prominently in big time pugilistic affairs. During the reign of Jack Johnson as world's champion Moran appeared as a contender for the crown but was stopped by the big black man. Moran was in company with Holy Wood, president of the Premier Gold Mining Co., who was going through to Stewart on the steamer Prince Charles.

Not the least interesting part of the Diamond Jubilee Celebrations was the sports program. The field and track events caused much favorable comment on account of the promising showing made by the juniors. Unfortunately, there seems a big falling off in the intermediate stages and many promising youngsters are not heard of again. The fault is not in the youths themselves altogether but in the fact that they do not get the expert training and advice that are so necessary to develop the young material. In the pole vaulting there are very promising youngsters. Ed. Smith should go far. He needs coaching and watching. The high jumping of L. Pierce caused the old-timers to prophesy big possibilities. Irvine in the mile and Walters in the five mile are good. These chaps need many chances. Only one or two field days in the year are not enough. Were there more such days they would be encouraged to get and stay in training. The question of coaches is a big problem. But there are in town at the present some old-timers who could give these the hints that make the difference between fair runners and good sprinters. If there are, surely they are keen enough to come forward and give their services for the good of the sports they enjoy and which means so much to our young athletes.
