EVERY WOMAN SHOULD READ

HOW "FRUIT-A-TIVES" GAVE HER NEW LIFE

MRS. J. F. RUTKOWSKA.

"For several years I suffered with severe constipation and was a nervous wreck. I had great pain in my limbs, and such terrible headaches I thought I would go crazy. I had no appetite, could scarcely eat anything without stomach distress. After reading about 'Fruit-a-tives' I decided to try them. Before I had taken three boxes, I was entirely well. I sincerely think 'Fruit-a-tives' saved my life."—Mrs. J. F. Rutkowska, Tolstoi, Manitoba.

Indigestion, biliousness, headaches, nervousness, pains in the back and limbs are largely caused by allowing poisons to accumulate in the body. "Fruit-a-tives" is nature's remedy, made from intensified fresh fruit juices combined with tonics. "Fruit-a-tives" stimulates the bowels, liver and kidneys to normal action and brings about a condition of delightful health. Buy a box of "Fruit-a-tives", today. Enjoy life again. 25c and 50c, everywhere. 543

SNOW GEESE VERY THICK ON FRASER RIVER THIS YEAR

VANCOUVER, Jan. 24.—Hunters and naturalists are unable to account for the appearance of thousands of snow geese off the mouth of the Fraser River this winter. The snow goose is a fairly frequent visitor to this region, but never in such vast numbers as this year. It is believed that the coming of the geese indicate an early spring.

The snow geese are fortunate in finding their feed on the wide tide flats that uncover for miles at low water. There is rarely any cover by which they can be approached within shotgun range.

The regular meeting of the Prince Rupert Parent Teacher Teacher Association was held in the auditorium of the Booth School last week. Mrs. Arnott, president, was in the chair.

Stuart, Mrs. J. P. McMillan, Mrs. Galland, Mrs. Thurber, Mrs. W. W. C. O'Neill, Mrs. Christison, Mrs. Dalgarno, Mrs. Burt, Mrs. B. Morgan.

The Walter McRaye recital showed a deficit of $10 but the meeting was unanimous in its approval of the project and agreed that the entertainment was thoroughly worth while and of the type that Prince Rupert needs. A bridge and whist drive is arranged for Friday, February 4, and the election of officers postponed until the next regular meeting on February 16.

Refreshments were served in the Domestic Science rooms by the refreshment Committee.

Announcement!

The Prince Rupert Laundries Ltd., capital stock $100,000.00, has been organized to take over and operate the local industries known as the "Pioneer Laundry Ltd." and the "Canadian Steam Laundry."

This move is in line with the present day trend toward concentration of production—is not a stock selling or promotion scheme—but is entered into in order that the local laundries may effect the economies which result where duplication of processes is eliminated.

It is the sincere desire of the laundry interests of Prince Rupert to furnish the public with efficient laundry service at the lowest possible cost. With this in mind, we have decided to place certain lines of work exclusively with each plant. The public will greatly assist us in this by allowing us this privilege. They will benefit by better work and better service.

Thanking you all for past patronage and bespeaking for the new company your further goodwill, we are, yours for better laundry service,
