Ryall Beat Cabeldu Three Sets out of Four in Men's Singles Final Mrs. McMordie Wins Ladies

In what the spectators declared to be the best tennis match ever played in Prince Rupert, Ryall beat Cabeldu last night three sets out of four to win the men's singles championship of the Prince Rupert Tennis Club. Ryall took the first 6-0 and Cabeldu came up from behind to win the second 5-7. The champion was the best in the last two sets by scores of 7-5 and 6-3.

Mrs. S. P. McMordie easily won the ladies' singles club title by beating Mrs. H. O. Crew 6-0, 6-0.

This concludes the club's championship tournament in which Ryall and Miss Curtin won the mixed doubles; Mrs. McMordie and Miss Riel, the ladies' doubles, and Ryall and Crew, the men's

Ketchikan's pitching ace, Tommy Smith, proved duck soup for the Prince Rupert baseballers who won 7-2 in the second game of the series at the northern town on the glorious Fourth of July. The local boys put up a brilliant game of ball and, with good fielding and batting, had their hosts where they wanted them all the way. Only a few bad breaks of the luck prevented them bad breaks of the luck prevented them from also winning the first game which was 10-8 against them and a rather loos

GROTTO AGAIN

Fielding Was Deciding Factor in Last Night's Intermediate League Baseball Game

The Grotto, so far unbeaten this season, again defeated the Native Sons of Canada last night in the Intermediate Baseball League, the score being 9 to 4. Pitching and batting honors were about even but the Sons gave their moundsman, Alex. Duncan, poor support, this being the main factor contributing to their defeat. Nick Chenoski hurled for the tobacconists who rallied well behind him.

Features of the game were three baggers by Jack Nelson for the Canucks and by Dido Gurvich for the Grotto. Nelson gathered his in the fifth inning with nobody on. When Gurvich poled out his big one in the third inning, the bases were crowded.

Joe Smith was umpire of balls and strikes and Mike Budinich adjudicated the base running.

The league standing to date is as follows:

MUSEUM IN OTTAWA SWAN SANCTUARY ON BORDERS OF VICTORIA

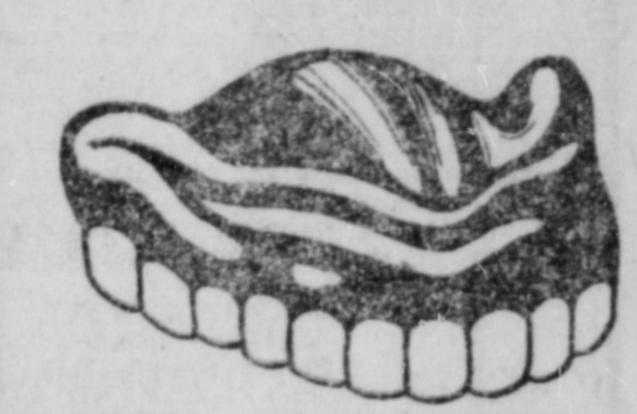

In the early part of the year Franci Museum, together with Cecil French, acting as an advisory committee on zoological matter to the city council, recommended the placing of a pair of wans on Elk Lake from Beacon Hill Park says the Victoria Colonist. This was done, and the experiment succeeded, for the birds have duly hatched out a couple of cygnets. With the parents, it is hoped they will form the nucleus of a flock of these birds which. it is further hoped will, in turn, attract wild swans to the lake.
