magnate, had his service boat Lewis Island II in port this week for minor repairs at the Ward Ways.

Capt. Mowat has had his troller Nelie on the Ward Ways recently for installation of a 12 h.p. Kelvin engine, replacing a 10 h.p. Vulcan.

Power tug P.R.T., Capt. Harris Kerr, on Wednesday brought in a scowload of lumber, part of which was delivered to the railway yards, the balance being for use in connection with the construction of the Big Bay Lumber Co.'s new mill at Seal Cove.

On the departure today of the local halibut boat Unome for the halibut banks, Capt. Dave Ritchie will be once again on board. Dave was forced to miss the last trip owing to injuries to his hand recently while working with the gear. He has made a satisfactory recovery.

If the forthcoming vaudeville show to be staged by the St. Andrew's Society is not a howling success it will be through no fault of our old friend Doc Clapperton. Doc has sure been hitting the ball as far as this little old Caledonian blow-out is concerned, even spending his holidays selling tickets, arranging for advertising and getting the players out for rehearsal. The only thing that surprises us is that Doc's classical taste could ever stoop to such as "vodvil".
