Women Know Best

"Fruit-a-tives" Make and Keep You Well

MRS. O. MONACH

Thousands and thousands of women have tried "Fruit-a-tives" during the past quarter of a century. Many of these, like Mrs. Opal Monach, took "Fruit-a-tives" as a last resort after having failed to get relief from any other remedy. And their experience has been invariably the same—"Fruit-a-tives" saved them from constipation, biliousness, headaches, indigestion, backache and kindred troubles when they had almost given up hope of ever being well again.

Writing from Frenchville, Sask., Mrs. Monach says, "I have taken many kinds of medicine, but none prove so good as 'Fruit-a-tives' for me. It is the only medicine I take—I use it regularly and do not feel right if I do not."

Let "Fruit-a-tives" be your medicine and help you to get well and keep well. Buy a box today. 25c and 50c—everywhere.

THE LABEL IS RED AND WHITE

Its Richness Means Economy

IT is the *double-richness* of Carnation Milk which makes it so economical. So rich that it can be used in place of cream at one-third cream cost. So rich that it can be greatly diluted when used in cooking and for other milk uses. Carnation is the most completely useful milk you can buy.

And it has the additional economy of *keeping*. None is wasted. It keeps several days after opening—indefinitely in the tin.

Carnation is just pure, fresh milk evaporated to double richness, kept safe by sterilization. Order from your grocer several tins or a case of 48 tins.

Send for a free copy of Mary Blake's Cook Book. Address Carnation Milk Products Company, Limited, Aylmer, Ont.

CARNATION CARAMEL CUSTARD—Two cups Carnation Milk diluted with 2 cups hot water, ½ cup sugar, ½ teaspoon salt, 5 eggs, 1 teaspoon vanilla. Caramelize sugar and add to scalded, diluted milk. Let remain in double boiler until sugar dissolves. Add this mixture to slightly beaten eggs; then add salt and vanilla. Pour into buttered custard cups. Bake in 225 degree oven with cups set in deep pan of hot water. This serves eight.
