TERRACE BUSY MANY MATTERS

Board of Trade Takes up a Dozen Questions at Its Recent Meeting

TERRACE, Dec. 17. — The monthly general meeting of the Terrace Board of Trade was held in the Terrace Hotel parlors on Tuesday evening. There was an unusually good attendance and the meeting proved to be one of the most interesting and enthusiastic yet held. Matters under consideration and to which the board are devoting attention include:

1. Assistance in the establishing of a Chamber of Mines in Prince Rupert.
2. Installing a mineral show case at the Terrace depot.
3. Having a padlocked mail box on the outer door of the post office.
4. Having certain hills around town proclaimed one-way roads by the government.
5. Agitating for improvements on Chimdinash and Olander mining trails.
6. Obtaining through the district engineer an estimated cost of the different public works improvements asked for as requested by Dr. Wrinch, M.L.A.
7. An attempt to get the other larger centres of the north to co-operate in making it possible to have the University Extension Lectures given in the district.
8. Immediate repairs to the West Hill traffic on which has been blocked for some time due to a slide.
9. Obtaining figures on marketing prospects for the Associated Poultrymen Inc. of Los Angeles, who have the Terrace district in view as a new field for their poultry industry.
10. Endorsation of the action taken by the Edmonton District Chamber of Commerce to prevail upon the government to establish a freight rate on coal to eastern Canada that would make it possible for the western colleries to meet the competition of the United States mines.
11. In order to give the assistance asked by the B.C. Publicity Committee in their advertising campaign it was suggested that this district should prepare a phamphlet discriptive of local conditions. No action was taken in the matter.
12. Investigation into the license and water rights of the Lakelse Hotsprings it being felt that they were not being exploited to the advantage of the district under the present holders of the water rights.

Notice of motions to be made at the next general meeting were made by H. Halliwell, secretary, in regard to certain changes in the by-laws and by H. L. Franks concerning a resolution regarding the Marketing Act.

STEWART

The winter's program of development work at the Riverside mine is proceeding smoothly. No. 4 level is now in 960 feet and large bodies of milling ore have been encountered. R. G. Mellin, M.E. is superintendent in charge and M. J. St. Clair is foreman.

Harry Howson, an old time operator of this camp, is now located in Greenwood where he is operating the old Elkhorn mine under lease and bond.

Following a total snowfall so far this season of 107 inches, the weather has been clear and cold during the past week, the thermometer dropping as low as zero.

Steamer Griffco last week brought in 100 tons of Vancouver Island coal for the Crawford Transfer Co.

H. H. Stevens, M.P. for Vancouver Centre is identified with the deal whereby the Canadian Northeastern Railway up Bear River has been taken over by British interests.

Committees as follows have been named for the annual Christmas Tree entertainment to be held in Stewart: finance, W. R. Tooth; purchasing, Mrs. F. E. Risch, Mrs. J. Comer and Mrs. J. Gunn; entertainment, Mrs. R. W. Kennedy and Miss Nicholson; decorations, Mrs. W. R. Tooth, Mrs. H. Wilkinson and Mrs. James Morrice.

TERRACE

Tuesday night was the coldest registered here this winter the mercury going to 10 below zero. Weather conditions moderated considerably on Wednesday and there was a heavy fall of snow Wednesday night. Ideal sleighing is being enjoyed and made good use of in the logging industry.

Mrs. H. Creelman and children of Usk visited at the home of her mother Mrs. J. Raven during the week.

The hospital auxiliary held their monthly meeting at the home of Mrs. Seaman on Tuesday afternoon.

Donald McLeod of Vancouver arrived in Jasper on Tuesday to spend a few days with his sister, Mrs. Jas. Richmond.

Instead of the usual community Christmas tree in Terrace this year, the entertainment is under the auspices of the public school staff who are arranging a splendid program for Wednesday evening in G.W.V.A. Hall. An admission fee will be charged adults and resultant funds will be used to extend Christmas cheer to families in need. The union Sunday school is also arranging a Christmas tree and entertainment.

Mrs. Hagan of Vanarsdol was a visitor here on Wednesday.

Mrs. W. W. Noonan who has been visiting at the home of her mother Mrs. F. W. Bohler, returned to Telkwa on Wednesday.

Jimmy Tyler left on Thursday for Vancouver where he will spend the winter.

R. E. Allen, district forester, was a business visitor here during the week.

Mrs. Elwood T. Brooks left on Thursday on a short visit to Prince Rupert.

Dyspepsia Troubled Him for Many Years

Mr. J. Savoy, Loggieville, N.B., writes:—"I have suffered for many years from dyspepsia and could not seem to get any relief.

"One day I told my wife I thought I would try a bottle of

BURDOCK BLOOD BITTERS

and when I had half of it taken I felt a lot better, so I continued until I had taken two bottles, and now have no pains and no coated tongue, and feel that I am completely rid of my trouble."

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

SKIDEGATE

J. P. Dover of Skidegate is visiting Mr. and Mrs. Rajout at Tlell River.

Jim Russell, who has been in the employ of the Provincial Works Department for the past season, returned from Prince Rupert on the last trip of the Prince John and will build a new house at Tlell for Mr. and Mrs. Rajout.

People on the Queen Charlotte Islands were glad to see Norman McLean back on the Prince John as purser.

Rev. J. Gillett, Indian agent, was in Skidegate the other day on business from Massett.

Capt. Bill Stressman is spending the winter at Port Clements.

SKIDEGATE PROTEST AT CONDITION OF THE WHARF AT THAT PLACE

SKIDEGATE, Dec. 16. — A public meeting was held here in the public school under the auspices of the East Coast Farmers' Institute to protest against the neglect of the wharf at Skidegate Mission, which all the people at the mission, at Skidegate and along the coast use.

As the only other dock is four miles away at Queen Charlotte City, a petition is being circulated which will be sent to J. C. Brady, M.P., together with all particulars in regard to the condition here. The old wharf is about ready to tumble down and is a danger to the public.

MISCELLANEOUS SHOWER PORT CLEMENTS GIRL TO BE MARRIED SOON

PORT CLEMENTS, Dec. 17. — In honor of Miss Dorothy O. Ward, whose marriage takes place this month, Mrs. W. F. Hastie entertained a large number of her friends at a miscellaneous shower last Wednesday evening.

Little Miss Betty Srigley dressed as a butterfly, danced into the room and placed a crown of violets upon the bride-elect's head. A large basket containing the gifts, and decorated with a profusion of roses and foliage was then towed in by Miss Betty, and handed to the bride, who read the little verse accompanying each gift, all of which caused much amusement.

Dainty refreshments and ice cream were served, and the evening was very much enjoyed by all present.

It is interesting to note that this will be the first wedding to be held in the Anglican Church at Port Clements.

On the same evening the friends of G. Davies, the groom-elect, honored him with a party in Hastie's Hall.

BEAR RAIDED CHICKEN HOUSE

Carried Off 21 Fowl and Then Returned For More But Got Lead Instead

SKIDEGATE, Dec. 16.— At the Dead Tree wireless station on the East coast of Graham Island R. G. Emmerson, officer in charge, went to his chicken house a day or two ago and found that he was short twenty-one chickens. All the signs pointed to a huge bear having raided the place and carried off the fowl.

Early next morning Mr. Emmerson heard frantic S.O.S. calls from the hen house. Grabbing his gun he raced out to the scene of the noise and found that Bruin had returned to finish his work. Six well-placed shots finished the bear but not before he had torn down half the chicken house. Now Mr. Emmerson is feeding the carcass to the part of the flock that remains.

PRESENTATIONS MADE MR. AND MRS. ATWOOD TERRACE, WEDNESDAY

TERRACE, Dec. 17.—A farewell party was tendered to Mr. and Mrs. W. H. Atwood on Wednesday evening at the home of Mr. and Mrs. W. C. Sparkes when upwards of twenty-five members of the Anglican Church gathered to spend a social evening prior to their departure from the district. Mr. Atwood has been one of the church wardens during the past year and will be much missed in church work. On behalf of the church members, Rev. A. W. Robinson presented Mr. Atwood with a book. The members of the Women's Auxiliary presented Mrs. Atwood with a work bag and Marjorie and Billy were each given Bibles by the other members of their confirmation class of last spring.

A pleasant evening was spent socially and with music, and refreshments were served during the evening.

Mr. and Mrs. Atwood plan to leave in time to spend Christmas with friends in Prince Rupert and will then go on to Vancouver where they expect to locate.

SPECIAL CHRISTMAS SAILING FOR SOUTH

In order to accommodate those desiring to go south for Christmas, Canadian National Steamships announce that the ss. "Prince Rupert" will sail southbound Thursday, December 22, at 10.00 p.m. instead of on the regular schedule Friday morning. This boat will arrive Vancouver 9.00 a.m. Saturday, December 24, making connections with boats and trains for Victoria and Seattle.

In order to perform this service, this steamer will sail for Anyox and Stewart at 4.00 p.m. Wednesday, December 21, instead of the usual sailing hour of 10.00 p.m., returning from the North, arriving here 7.00 p.m. Thursday, December 22.

Accommodation on southbound sailing is fast being taken up, and it is suggested those going South, make reservations early at City Ticket Office, Third Avenue. Phone 260. 298

George Keep of the investigation department of the Canadian National Railways reached the city from Prince George on yesterday afternoon's train.
