By George McManus

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

New Scheme Being Carried Out by Principal Peddie to Encourage Sports

THREE SECTIONS FORMED

Practically Every Pupil Required to Take Part in Some Activities

At the meeting of the school board last night Principal Peddie of the High School reported that a new scheme dealing with school activities outside regular studies had been inaugurated for the purpose of encouraging lal students to take an active interest in sports and games and school societies For this purpose the student body had been divided into three sections houses with 52 students in each and one house master and one house mistress a the head of each, whose duty it was t supervise the activities.

Each house has a girl and boy captain and manages its own affairs such as football, hockey, basketball teams, shooting and cadet sections. Some the competitions had already commenced and had proved satisfactory in football and hockey. Shooting and basketball would begin this month.

The senior and junior debating societies had organized and an attractive program had been drawn up.

The six house masters and mistresses. three house secretaries, the presidents RUPERT EAST JUNIOR of the other school societies with the principal as chairman form the general representative council, whose duty it is to supervise the system.

Each student pays 25 cents a month of which 15c goes to the house fund and 10c to the general council funds.

donated by George Bushby, points in the meeting last night, with W. Howarth in River on yesterday afternoon's train, competition being given for academic the chair, the Rupert East Junior Boys' being here on business. work, successes in examinations and for sports and other activities.
