Brunswick Panatrope

Only an instrument as regal, as perfect as the Brunswick Panatrope could grace the Royal Household of His Majesty, King George V.

This sensational instrument will entertain you now in your home with music that is truly "Fit for a King."

The Brunswick Panatrope is the only record-playing medium to reproduce every note of the entire musical scale. Every audible sound comes to you in all its original, natural tone-music so overwhelmingly life-like that it amazes and inspires all listeners. Compare it with other instruments, compare it if you will with the actual music of the artists or instruments-that is the convincing test by which the Brunswick Panatrope will demonstrate and prove that it is the most remarkable musical triumph ever conceived.

THE MUSIC OF THE PANATROPE IS THE STANDARD WHICH IMITATING MANUFACTURERS ARE STRIVING TO ATTAIN.
