New and Delightful!

"It gives a new and delightful definition to the bass,—so desirable for dancing" says Paul Whiteman—King of jazz music.

THINK of having the world's greatest dance organizations at your beck and call! Orchestras that would cost a small fortune to engage for a single evening! Through the new Orthophonic Victrola and the amazing new V. E. Process Victor Records you can bring these self-same Victor orchestras right into your home, exactly as you would hear them at the smart supper clubs and hotels!

Listen to that crooning saxophone carrying the melody . . . the plinkety-plank of the banjos underneath beating a rhythmic accompaniment. Now the clarinet with its toe-teasing cadences. Now the guttural "bong" of the bass sax or the mellow "oomp" of the big brass tuba. Who can resist dance music like this?

Not only dance music but all kinds of music are yours whenever you wish through the Orthophonic Victrola. Given with a clearness and fidelity to the original that is simply unbelievable. "Matched Impedance" the new scientific Victor controlled principle of "smooth sound flow" is responsible for the unequalled tone of these marvelous instruments made only by Victor.

There are six beautiful instruments of exquisite designs—from all these you may select at "His Master's Voice" dealers. They are obtainable on convenient terms from $775 down to $115. Equipped with electric motor to eliminate winding, if you wish, at slight additional cost. Demonstrations daily.
