WAS LARGE ATTENDANCE IN SPITE OF COLD - WORK REVIEWED AND OFFICERS ELECTED

SMITHERS, Jan. 21.—The annual general meeting of the Omineca Branch of the B.C. Chamber of Mines was held in Smithers on Tuesday. In spite of the fact that the thermometer was standing at 30 below zero outside, a fair attendance was present and listened with great interest to the annual reports.

The president reviewed the work of the past year in the many undertakings of the organization and predicted that 1927 should be a better year than any previous ones for mining in this district. The secretary-treasurer presented his annual report and financial state- ations will be commenced on the vein. ment, showing a surplus of \$6 on hand at the commencement of the year.
