VANCOUVER VISITORS TO BE EN-TERTAINED BY PRINCE RUPERT BOARD OF TRADE AND LADIES

All the plans are laid for the entertainment of the members of the Vancouver Board of Trade which are expected to visit the city on June 22. They will be entertained at luncheon aboard the boat and the members of the executive of the local board together with the mayor and city council will be their guests at dinner. In the afternoon they will visit points of interest and at night they will be entertained at a grand ball.

A letter received from Vancouver intimated that the plans were acceptable to them but that as they were a stag party they would expect the local board to provide them with dancing partners at the ball. This it is planned matter.

### It is Serious When The Kidneys Go Wrong

These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the public as an effective treatment for the relief of kidney ills. Before that they had been for years proven in private practice. Surely they have stood the test of time. And to-day they are more popular than ever before. Why? Simply because they produce the desired results. You know when you use them that you are not experimenting with an untried medi-
