PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occapation, and improvement for agricultural

Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Applications for pre-emptions are

to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for

five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be For more detailed information see

the Bulletin "How to Pre-empt PURCHASE

Applications are received for pur-Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and

Lease of Crown Lands." Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conincluding payment

HOMESITE LEASES Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company. GRAZING

Coffee, fresh ground, per lb. 50¢ Under the Grazing Act the Province is divided into grazing districts and the range administered under a grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners earspers and travellors,

## BRITISH COLUMBIA

The Mineral Province of Western Canada

To the end of December, 1926.

Has produced Minerals as follows: Placer Gold, \$78,018,548; Lode Gold, \$126,972,318; Silver, \$80,787,003; Lead, \$106,976,442; Copper, \$209,967,068; Zinc, \$50,512,5577; Coal and Coke, \$284,599,133; Structural Materials and Miscellaneous Minerals, \$50,175,407; making its mineral production to the end of 1926 show an

AGGREGATE VALUE OF \$988,108,470.

PRODUCTION FOR YEAR ENDING DECEMBER, 1926, \$67,188,842

The Mining Laws of this Province are more liberal and the fees lower than those any other Province in the Dominion, or any colony in the British Empire. Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown grants. Full information, together with Mining Reports and Maps, may be obtained gratis by

THE HONORABLE THE MINISTER OF MINES.

VICTORIA, BRITISH COLUMBIA. N.B.-Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are avail-

sources of information. Reports covering of the Six Mineral Survey Districts are published separately, and are

able without charge on application to the Department of Mines, Victoria, B.C. Reports of

the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable

available on application.

### FIRESIDE CLUB IS INDIAN CAMPFIRE

At the meeting of the Fireside Club, held in the Baptist Church parlors, last night. A very enjoyable evening was spent, around a campfire, local Indian legends translated from the native tongue were narrated by members of the club. A solo by the President Howard, brought that part of the program to a close. It was then followed by the monthly social where every one is welcome and all enjoyed a good time Next week a very attractive program is arranged to be given by the club,

### TRIPLETS COME TO HOME OF POOR WOMAN

EDMONTON, Nov. 29. - The George McDougall Hospital at Smoky Lake is rejoicing in a recent visitation of the stork, which resulted in the birth of the first triplets recorded by the hos-

The mother is a Ukrainian girl born in Canada, and she is only 24 years old. She has another little girl, who is being looked after at a brother's place while she is in hospital. The mother has been married five years.

On November 7 at 10.55 p.m., the stork popped along with the first of the trio. a boy. At 11.25 p.m., baby brother had another baby brother whom he will proudly call his "kid brother," some day. Then everybody thought Mr. Stork was calling it a day. He did call it a day, as a fatter of fact-but at 12.20 a.m., on November 8, just as an afterthought, he popped back and added baby girl for good measure.

The family is in poor circumstances and has no home of his own, living

At present, the husband is working for farmers of the Smoky Lake district. The mother and babies are all well and getting along splendidly, and Dr. R. L. Anderson, resident physician at the hospital, is very pleased with their progress, while the hospital staff extremely proud of its first set

One thing about it, the triplets won't all have their birthday on the same day
