Profit by Our Diamond Experience

Never judge a diamond by its carat weight alone, for diamonds of equal weight are not necessarily of equal value.

The worth of a genuine diamond—its purity, color and perfection in cutting—can best be judged by men who know diamonds.

Our reputation for integrity is your assurance of honest service.

Heart Palpitation Dizzy, Sinking Spells

Mrs. M. A. Gagnon, Donatville, Alta., writes:—"Some time ago I was very nervous, could not sleep at night, often had dizzy, sinking spells and palpitation of the heart, and was so run down I could not do my housework, but just leave everything and sit down.

I spent a lot of money using medicine from the doctor, but it did not do me any good.

At last a friend told me to use MILBURN'S HEART AND NERVE PILLS and after using a couple of boxes I was not the same woman. I began to feel so much better, and after a few more boxes I was in perfect health. I always recommend them to all those I know who are suffering from heart trouble."

ANOTHER CONQUEROR OF CATALINA SWIM

Henry F. Sullivan, Victor of English Channel ,Claims Feat

LONG BEACH, Calif., Feb. 5. — The municipal observer on Pine Avenue pier here, stated that Henry F. Sullivan of Lowell, Mass., landed on the pier here about 8 oclock this morning, declaring that he had swam the San Pedro channel from Santa Catalina island in 22 hours and 45 minutes. Sullivan disappeared in the direction of his hotel after climbing on to the pier.

Sullivan, who conquered the English Channel several years ago but failed in the recent island marathon race won by George Young of Toronto, Ont., had been quietly training here for the last fortnight in preparation for another attempt at the channel crossing.

SPORT CHAT

The all-star local basketball team, which will meet the team from Ketchikan on Monday and Tuesday nights, had its final work out last night against a picked team. Monday the team arrives from the northern city and will be suitably entertained by the locals during its stay in the city. It has been suggested that, on the last occasion when an athletic team from the Alaska city competed in the city, it was not altogether satisfied with the hospitality here. It will be a good thing to endeavor to counteract this impression on the present trip and citizens and fans will most surely cooperate with this end in view. The games promise to be well patronized, which is as it should be. The Basketball Association are planning a real Rupert welcome.

Before the regular game on Monday evening between the All-stars and Ketchikan, two picked teams will play. These will be the only two games of the evening. The teams selected are as follows:

Team No. 1.—W. Murray, D. Frizzell, A. E. Walters, J. McNulty, and W. Wrathall. Spares C. Thomson and D. Stalker.

Team No. 2.—D. Gurvich, J. Sims, T. Fraser, S. Gurvich and R. Mortimer. Spares V. Meagher and G. Hill.

A rink from Jasper Park consisting of James Fahey, skip, Ed. Carthew, C. Otto and C. B. Hunter carried off the main prize at the Prince George bonspiel last week when they won the Kelly cup, significant of Central British Columbia championship, from the Kennedy rink of Prince George consisting of Harry Kennedy, Bert Harper, Harry Hart and Henry Waldof.

A Junior Hockey League, fathered by local societies, is being organized in Prince George and will start activities at once. The Tuxis Boys are behind one team, the Elks, another, the Canadian Legion, one, and the Oddfellows, the fourth. The teams carry the names of the organizations sponsoring them.

Tris Speaker, former manager of the Cleveland American League Baseball Club, has agreed to play centre field for the Washington Senators during the coming season. Clark Griffith said he out-bid New York, Philadelphia, Chicago and Detroit for "Spoke's" services.

Dudley Field Malone, New York attorney who has been handling the legal affairs of Gene Tunney has sailed for Europe to arrange exhibitions for Tunney in England, France and Germany, this spring. He said he expected Tunney to begin the overseas tour in May.

At the winter sports in Vienna last Saturday, a feature was the hockey game between teams representing Europe and Canada. The European team won, two goals to one.

At a review of a tank demonstration in England only the Dominion premiers were allowed inside the new models. It is really the first time they have been officially canned.
