HIGH SCHOOL LOSES MATCH

Leaders of Intermediate Basketball League Beaten for First Time—Elks Lose to Native Sons Again

Losing to Big Four by a score of 48 to 22, High School last night suffered its first defeat of the season in the Intermediate Basketball League, this having been the feature game of the evening. The winners played all around the school boys whose ranks were weakened by sickness among members.

In the Senior League, the Native Sons of Canada continued their conquests by winning 27 to 21 over the Elks, it being a good tight game. The fact that three players—Will Lambie, George Mitchell and Doug. Frizzell—were ordered off the floor for personal fouls may have somewhat hampered the chances of the lodge men. Of the Sons, Clarence Thomson was ordered off.

In the third game of the evening, the High School had an easy 20-6 victory over the Girls' Drill Team in the Ladies' League.

Individual scoring was as follows:

WAS VERY WEAK NERVOUS AND MELANCHOLY

Mrs. Geo. McKenzie, Campbellford, Ont., writes:—"A short time ago I was troubled very bady with my heart and nerves, the cause of it, I think, was my going through the change of life.

"I was very weak and melancholy, and so nervous I could hardly bear to hear a clock ticking, and I did not sleep well.

"I was advised to try MILBURN'S HEART AND NERVE PILLS so I sent at once for a box; took them and got another, and before they were all gone I felt good, my nerves are fine, I do not mind any noise, and I can sleep well. I cannot recommend them too highly to those suffering as I did."

PEACHY RESIGNED FROM THE ARSENAL

Dispute Which Threatened to Disrupt Senior Soccer in England Has Been Settled

LONDON, Eng., Dec. 10.—Settlement of the Arsenal football club dispute which at one time threatened to disrupt the senior soccer league in England was announced recently. The Football Association after an investigation into the affairs of the club demanded the retirement from the board of directors of G. W. Peachy. Mr. Peachy objected to be retired and when other directors decided to issue new shares to themselves so as to control the club he went to the chancery court and sought an injunction. The trouble was finally ironed out by Mr. Peachy agreeing to resign and accepting payment from the club of his legal expenses.

During the arguments in the chancery court it was stated that a former chairman of the Arsenal board, Sir Henry Norris, had been ordered by the Football Association to repay £530, the amount received by him or on his behalf, as the wages of his chauffeur and other sums and he was further ordered to be permanently suspended from taking part in football or football management. Sir Henry still holds a large number of shares in the Arsenal Club.

It was understood Mr. Peachy, though his legal claim appeared sound, agreed to leave the board in the best interest of the club and football.

SPORT CHAT

Arrangements are now being made for the appearance at Smithers early in February, of a girls' team from Terrace, which will play a two-game series with an all-star Smithers team for the championship of the northern interior. The winning team it is planned will make a trip to Prince Rupert to meet the lady chompions here for the northern British Columbia title.

Alex. Wimbles has been elected president, J. C. Pidgeon vice-president and manager, and J. M. McLean secretary-treasurer of the Prince George Hockey Club. The executive is constituted as follows: George Williams, F. A. Matheson, R. S. Morrell, Terry Johnson and Richard Corless. There is said to be plenty of playing talent available, and an effort will be made to stage the opening game with the Cranbrooks on December 11. Later games may be played with Smithers, Jasper and possibly Vanderhoof.

The Omineca Ski Club dance and smoker at the Burns Lake community hall recently, attracted a crowd that taxed the capacity of the building to the limit. Many of the fair sex enjoyed the boxing bouts, in which "Kid" Reid challenged all comers and finally met more than his match at the hands of Cecil Hartley. Hartley's superior weight, reach and ring generalship proved too much for the Edmonton Kid, who, nevertheless, put up a game exhibition. The dance was managed by Ronald Prosser and with Mrs. Jewell at the piano and Albert Bach on the guitar, the elite of the Lakes district was unanimous in pronouncing it the most successful dance of the season.
